You're Personally Invited to Attend "It's Time to be a Parent Again" Presentation

April 1, 2020 6:30 p.m.

Coastline Community Church

409 E. Eau Gallie Blvd., Indian Harbor Beach, 32937

It's Time To Be A Parent Again® is an innovative program designed to empower parents to become the "Chief Law Enforcement Officer" in their children's lives by giving them the tools, resources, and most importantly, the philosophy to steer their children away from trouble and toward success. Unfortunately, many families today find it difficult to "tough love" their children, especially single parents, who are struggling to provide a healthy home environment, while confronting 21st century issues like drugs, gangs, social media, cyber bullying, and peer pressure.

I have often been quoted as saying, "As parents, it's very important to remember that we are not just teaching discipline and responsibility, but are teaching the next generation of parents the importance of accountability and the value of appropriate discipline. If you are not the Chief Law Enforcement Officer in your child's life, someone will assume that role and influence your children. I know that it is hard to tough love your child, but going to visit your child in prison is even harder, and going to remember them in a cemetery is truly unimaginable – that's why it is important for you to have every tool possible."

I'm confident you'll walk away with a new perspective of "It's Time to be a Parent Again."
