RE: School Advisory Council Seeking New Parent Members

Cape View's School Advisory Council (SAC) is composed of people from all parts of our school community (administrator, teachers, parents, and community members). We have a few parents who have e-mailed Mrs. Keane and expressed interest in serving on our SAC for the 2020-2021 School Year. The purpose of the SAC Team is to review our School Improvement Plan (SIP) and make sure it is being implemented with fidelity. We meet each month, on the 3rd Tuesday, to discuss our progress with the SIP and discuss the strategic goals of the BPS Strategic Plan. The meetings normally last one hour and are very informative about what is happening in our school and community. Any parents willing to serve on our SAC are encouraged to notify the Principal by completing the information below and returning it to the front office no later than Monday, September 14, 2020. There are only nine meetings throughout the school year, and we do ask that you commit to attending all of them.
