Khaki and Aqua

FAVORITE FOOD:

PIZZA

FAVORITE BOOKS:

the My Weird School  
series

Write me a letter telling  
me about you!

Dear Challenger 7 Families,

I am so honored and excited to be joining the Challenger 7 community as the new principal. I am looking forward to meeting you and working collaboratively with you to ensure a safe and successful school year!

I am originally from Pennsylvania and graduated from Penn State. I started my teaching career 15 years ago in North Carolina. Throughout my career, I have been an elementary teacher, a middle school instructional coach, and an elementary assistant principal. I moved to Brevard 4 years ago and have been working in the Professional Development department, primarily working with teacher leaders and assistant principals. In my free time, I love to spend time with family, spend time outdoors or by the pool, and travel.

As the principal of Challenger 7, I am committed to partnering with you to ensure a quality education for your child, whether he/she is attending on campus or participating in E-Learning. I believe that education is only successful if there is a strong partnership between school and home built on clear and consistent communication. I realize there are many questions regarding this school year, but can assure you our top priority is providing a safe and welcoming learning environment.

I would love to start getting to know a little bit about your child. Please encourage your child to draw a picture or write me a letter introducing themselves. I would love to know their favorite things about Challenger 7, what they are excited/nervous about regarding this upcoming school year, and what makes them unique. You can email or mail these to me using the contact information above.

Enjoy the last few weeks of summer! I look forward to getting to know each and every one of you.

Sincerely,

Mrs. Courtney Maynor
