Christa McAuliffe Elementary Car Loop Guidelines – Palm Bay Police Department

- Follow the “Parent Loop Signage” traffic pattern for pick up and drop off.
- Do not use Chamberlin Ave. north of Alcantarra St. NW to enter or exit (buses, staff, daycare pickup/drop off & local traffic only).
- Do not enter on Del Mundo St. NW from Minton Rd., (buses, staff, daycare pickup/drop off & local traffic only).
- Do not drop your child off on a roadway, **only drop off in the car loop.**
- Do not have your child be released as a walker and pick them up on the street, this creates a major safety issue.
- Please do not park on the roadside for drop off or pick up. **Designated no parking areas will be enforced.** Using the car loop is the only safe and acceptable method.
- **Do not arrive at school before 2:30 pm for pick up (1:15 pm on all early release days).**
- Dismissal Waiting Area - Vehicles picking up car riders will wait on **Calcutta Ave. NW, south of Alcantarra St. NW until 2:30 pm (1:15 on early release days)** and form a traffic line southward on the shoulder of the road.
- Do not block driveways.
- Vehicles will leave the waiting area at 2:30 pm following the car loop route to the school (1:15 pm on early release days).
- If you arrive at the school prior to 2:30 pm and the school car loop area within the school gates is full, do not park on the roadway nor in a no parking area. Please go to the staging area on Calcutta Ave. south of Alcantarra St. NW. **A parked line of traffic on the roadway will not be permitted.**
- The only parking permitted is on the north side of Del Mundo, between the school’s driveways, provided none of your vehicle is on the roadway, the roadway will be clear for buses and local traffic, blocking vehicles are subject to being towed.
- Walkers and bicyclists must use sidewalks and cross walks.
- **No cellphone use in the school zone (FL State Statute 316.305)**
