

Fairglen Elementary School Newsletter October 2, 2020

A Message from Ms. Murphy

Fairglen Families,

Interims were posted to FOCUS on September 30th. Please be sure to check your FOCUS account to access that information. If you have not set up your parent FOCUS account and need your PIN please come into the front office with your identification. If you would like to schedule a parent conference with your child's teacher please send them an email or give them a call. Students in 1st through 6th grade have taken their first iReady Diagnostic. Those results will be discussed at our next School Advisory Council meeting Thursday, October 8th at 4pm. We will also be discussing how our teachers are utilizing that data.

We have a lot planned for the month of October! Red Ribbon week is one of my favorite weeks of the year with lots of fun theme days planned! As mentioned in my welcome back video, all of our family events will now be digital. Our team is working on some fun and interactive nights for families to attend virtually. We miss seeing all of our families on campus, but for now we look forward to connecting with you online! The momentum in our classrooms is really picking up. Students are working hard and covering content at a rapid pace. We are offering support for students first thing in the morning in the computer lab from 7:30-8am. If your student needs some additional support please tell them to report to the computer lab by the library first thing in the morning. More information will be coming home about our Academic Support Program classes as well... stay tuned!

Catherine Murphy
Principal
Fairglen Elementary

Important Dates

SAC and PTO Meeting 10/8 at 4:00pm

Contact Office for information to attend

Youth Mental Health First Aid 10/17

Go to our website www.brevardschools.org/
FairglenES for more information.

P.E. Corner

We are off to a wonderful start in PE. Your children have played human foosball, Pokémon fitness and drum fit. Our eLearners are following the curriculum in the PE google classroom. Anyone can join that classroom and

follow along completing the assignments every week. Thank you for reminding your kids to wear sneakers and bring a water bottle on their PE days.

**National school Lunch week
Oct. 12-16.**

Encourage your student to eat lunch from the cafeteria and they could win a prize!

If you would like to order cupcakes from the cafeteria for your student’s birthday please contact Serena by calling the school or at Hollenback.Serena@brevardschools.org . Cost per dozen is \$12 and must be ordered 10 days in advance.

Title I Corner

Our Annual Title I Meeting will be held on **October 7, 2020 at 5:30pm**. This year’s meeting will be offered through a digital platform. The link to access the meeting will be sent to all families via Blackboard Connect as well as placed on our website. If you do not receive the link but wish to attend, contact the front office. In the event you are unable to attend, the event will be recorded and posted to our website.

Check our website, www.brevardschools.org/FairglenES, for updates and reminders of upcoming events. We’ve also added a reading and math resource page to support families at home.

Special Happenings in October

Stomp out Bullying! October is recognized nationally as the month to stop bullying. Teachers and staff will shine an extra spotlight on strategies for preventing and reporting bullying.

October is also National Disability Month. Activity teachers will work together to show examples of how individuals are able to overcome their exceptionalities and perform at elite levels. Students will have the opportunity to create their own work inspired by what they’ve learned.

Finally, Red Ribbon Week will be observed to bring awareness to drug prevention. Students and staff will participate in several school wide activities to help students make the choice to stay drug free.

We’ve placed resources for bullying, disability awareness and drug prevention on our website.

Dates to Remember
