Oh! The Places You'll Go

A Day in the Life of a Riviera Kindergartner...
How do we come to school?

Students arrive to Riviera by:

- Bus
- Day Care Vans
- Car
- Walking
Gates open at 7:30 & all students are provided with a free breakfast in the cafeteria.
Did someone say Carpet Time?

We do calendar and morning greetings. We promote a classroom family by sharing time together to get our day going.
Working hard at Centers

Centers are a great way for our students to practice the skills they are learning in a fun hands on way.
The More You Read!

• We learn all of our upper and lower case letters and sounds and 50 sight words!
• We use these skills to be fluent readers!
RECESS!!!!

We have worked hard all day long and now it is time to enjoy some fun in the sun!
Writing

Writing is one of the best ways for students to learn.

We end the year being able to write 2 sentences on our own.
It’s Time for Activity!

Each day of the week the students participate in a different activity.

Look at some of the things we do!
Math

We use hands-on learning to help children learn how to count, read, and write their numbers 0-100, we add and subtract, and we learn all kinds of shapes. We talk about Math and want to be able to explain our learning.
It's Lunch Time!

Students can qualify for a free or reduced lunch. Our cafeteria staff does an outstanding job supplying our students with a well balanced lunch.
Brain Break! Time to move and groove!
Science
We learn all about the world around us!
Dismissal

We are all packed up and ready to go. We say goodbye and know another great day is waiting for us tomorrow.
