Visit Your Local Library

- Let your child select from thousands of children's books.
  Children are motivated to read when they choose their own favorites.
  Let them select picture books, easy readers, or a popular subject such
  as sharks, trains, or horses.

- Get your children their own library card.
  Library cards are FREE, for any age!

- Look for reading programs offered at your local library!
  All libraries offer FREE reading programs throughout the year.

- Each library hosts fun events all summer!
  Brevard County Libraries offer a variety of FREE activities for all ages
  during the summer. Reading becomes easy and rewarding when books and
  libraries are fun!

- Help your child learn to read.
  To help you, libraries have parenting books
  with tips on fostering a love of reading.
