

WELCOME BACK!

The first few weeks of school are super exciting, but can also be overwhelming. Please use this information to help your child get to and from school safely.

Morning Arrival

Students must be in class by 8:00 am. There is no adult supervision on campus before 7:30 am, therefore, our front gates will be locked until this time. If you are in need of childcare prior to 7:30 am, please contact Mrs. Urbina, our BAS Coordinator, to find out about before & after school care.

Parents are welcome to walk their students to the front gate, at the corner of the front car loop. From there, our staff will ensure students get to class safely each morning.

Morning Car Riders

Please follow the traffic pattern established by the Palm Bay Police Department. A map of the traffic pattern is available in the Front Office, if you are unsure of where to go. In order to help our car loop run quickly and efficiently, please pull all the way forward when dropping off your child in the morning. Please do not stop at the sidewalk.

Breakfast

Breakfast is free for all students. Breakfast is served in our cafeteria from 7:30-8:00 am. Lunch is also free for all students.

Afternoon Dismissal

Students are dismissed at 2:30 each day. If your child walks or bikes to school, please make sure they have a plan for severe weather, and you have shared that plan with their teacher. If there is lightening present, students will be held until it is safe to walk/bike home.

New!

Front Gate Walkers:

Front gate dismissal is walkers and bike riders only. Car pick-ups must go through the car loop. If you are meeting your child after school, please wait across the street for students to cross. Teachers will be walking all students to the first Crossing Guard and releasing students here. Parents will not be permitted to wait on campus.

Car Loop:

Please be sure you have picked up car tags for all students who will be picked up in the front car loop after school. Students will not be dismissed without a car tag. Any parent without a car tag will be asked to park and come into the office to show ID and sign student out. Please know that this is for the safety of the student.

Bus Riders:

If you filled out paperwork during registration, and did not receive a bus slip, a slip will be provided to your child within the first week of school. In the meantime, you can find bus information in FOCUS. In the app, click on More Info -> Student Info -> Click the arrow on the left to open a menu -> Click on Transportation.

Kindergarten & PreK Parents – Reminder that your child will not be released at the bus stop without a designated person at the stop. Be prepared to show ID.

Back Gate:

Back gate dismissal is for walkers and bike riders only. Car pick-ups at the back gate are not permitted. Please go through the front car loop if you are picking your child up by car.
