

School Meals for Kids

The USDA has extended the meal flexibility waiver for the Summer Food Service Program (SFSP). This means that all breakfast and lunch meals are **FREE** for all children ages 18 and under, regardless of status through December 2020.

In-Person "Brick & Mortar" Students:

ALL students will receive breakfast and lunch at no cost in the school cafeteria. You will still be able to purchase a la carte items. 😊

eLearners, Virtual Students, and All Other Children 18 & Younger

Free breakfast and lunch meals are being distributed curbside at all 84 of our schools on **Mondays, Wednesdays, and Fridays**. If your child is not able to accompany you, simply bring a form of your child's identification such as a student id or birth certificate.

NEW!!! If you have children who are enrolled at different schools, you can now pick up their meals at one location. 😊

NEW!! If you have children that are not of school age, you may pick-up meals for them too! Meals are available for any child age 18 or younger! 😊

Contact the school for meal distribution times.

Please note that this is a temporary flexibility. It is important that families interested in meal benefits for their children apply for Free & Reduced priced meals now if you haven't done so already. In January, lunch prices will be based on the student's meal status of free, reduced or paid. Apply now at www.brevardschools.org/page/3473.
