December 17, 2019

Message from the Principal

If you are looking for something for your children to do over the winter break, please consider having them go online to access some of the math websites listed below. All websites are appropriate for kindergarten through sixth grade levels.

- Math IXL
- Moby Max
- Prodigy
- Khan Academy
- Study Jams (videos and questions)
- Math Antics (videos and worksheets)
- Cool Math (mostly games)

Enjoy the holidays!! Wishing you the best during the upcoming winter break!!

BOOSTERTHON

Parents and Families, this year’s main fundraiser is the Lockmar Obstacle Challenge. It’s a two-week program that kicks off with a Pep Rally on Wednesday, January 8. Families will then gather pledges for every obstacle your student completes (30-35 obstacles) at the Lockmar Obstacle Challenge, which will happen on Friday, January 17. This year our goal is to raise $10,000 for a playground and classroom support, and we need your help! We’ve asked the experts at Booster to power our fundraiser to make it easier, more profitable, and more fun.

Students will also experience an amazing character theme, MINDSPARK: WILD WEST! Booster’s most exciting theme yet combines S.T.E.A.M. skills (Science, Technology, Engineering, Arts, and Math) with character-building. While they’re teaming up with the MindSpark Kids to save Dr. Shock, our students will learn five-character traits that will help strengthen themselves and our world.

Donations will go toward a playground and classroom support and the entire two-week experience. So please help our school by getting pledges from family and friends and entering them on FUNRUN.COM. Also, all families are invited to come out and cheer on our students at the Lockmar Obstacle Challenge. Thanks so much for your support!
THANK YOU EXXON MOBIL

Please help us give a big Thank You to Exxon Mobil and Harbour Petroleum Corp. of Brevard, Inc. Harbour Petroleum submitted our name to receive a math and science grant from Exxon Mobil. They sent Jeb Bennett to inform us that we are a 2019 Educational Alliance Math and Science Grant Recipient and presented us with a $500.00 check. Thank you, Harbour Petroleum of Brevard, and Exxon Mobil for your generous donation!

THANK YOU
