

# Lockmar Elementary News

## A MESSAGE FROM THE PRINCIPAL

It is hard to believe that it is already March. So much has happened since we started back to school in August. As the state and the district formulated plans for a safe return to school for students and staff, your patience and understanding was appreciated. It was wonderful to welcome students back to school and a sense of normality.

I am proud of our teachers and staff who have worked hard to ensure that learning is taking place in a safe and secure environment. Our teachers have learned new skills and have worked tirelessly to educate all of our students both here in the building and those who are learning from home. When we return from Spring Break we will be beginning to plan for next year. We will be reaching out via email, text and phone, to let you know of some important dates for registration for the 2021-2022 School Year.

Thank you to all of you for your support this year. I am proud to be a part of this wonderful learning community.

Mrs. Campione

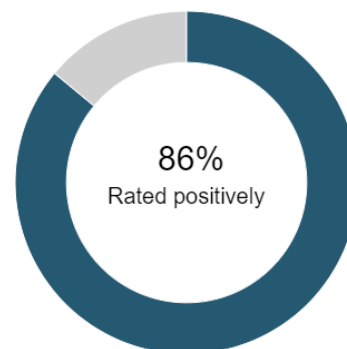

## ACADEMICS

We are fast approaching the window for administration of our Florida Standards Assessment. Families of students in grades 3-6 will be receiving information from Mrs. Long, our Assistant Principal, with important dates. There will also be information for parents of e-Learning students on dates/times for their student's tests to be administered.

## Did You Know?

86% of students surveyed at Lockmar Elementary responded positively to the following:

Does your teacher treat you with respect?

*The Lockmar Office will be closed during Spring Break March 15-19, 2021 We will see you when students return to campus on March 22.*

# OUR THANKS

## PTA FUNDRAISER UPDATE

Thank you so much to the Lockmar PTA for sponsoring our big fundraiser this year. Our Booster-Thon Dance Marathon raised \$8055 to be used towards technology enhancement. Thank you to all of our families and friends who donated to our cause this year.
