

Re-enrollment Directions for 23-24 School Year

Stevenson Families,

We are excited to announce that the process for re-enrolling your child for the 23-24 school year has been updated and will be completed in Focus. All families should have already activated their Focus accounts, as this is where discipline, grades, report cards, absences, state test scores, etc. are accessed by both students and parents. If you have not activated your account or need assistance, please contact us.

All students, including current sixth grade students, must re-enroll via Focus for the upcoming school year. **The deadline to re-enroll for the 23-24 school year is March 31st. If re-enrollment is not completed by this date, you may lose your student's seat at Stevenson.** (Sixth Grade students will be moved by the office clerk to the correct middle school once middle school attendance is verified.)

Parent directions for the online re-enrollment process are: <https://bit.ly/BPSreenrollment> for print directions or <https://bit.ly/FocusRe-Enroll> for video directions.

Thank You!
