Dear Families,

It is hard to believe it is December and the second semester is coming to a close. I do want to thank our families for attending our Thanksgiving luncheon. Mrs. Arnold and her staff worked hard on a delicious meal for the families and staff. I hope you enjoyed it as much as we enjoyed having you here. The show choir did a fantastic job performing for the guests. It was a day to be thankful for.

December is going to be a busy month for the Archers. We begin the month with an Hour of Code from 4:45 to 5:45 in the computer lab and the annual Winter Concert this Thursday, December 6th at 6:00 p.m. in the cafeteria. Students in third grade, show choir, strings, and chorus will perform. Snacks and water will be sold at intermission. Proceeds will benefit our Positive Behavior Intervention System (PBIS) program's school store. Support is much appreciated. December ends with PTO's annual Holiday Gift Making Night on Friday, December 14th from 6:00 p.m. to 8:00 p.m. Tickets are on sale for .50 cents a ticket up to \$2.50. This event is one of the most fun for all! Students can make gifts for family and friends. Hope to see you there!

On December 14th friends, family and members of the community will come together to remember our beloved student, Gavin Imes. This remembrance will take place at 2: 30 p.m. at our new pavilion.

"In our Hearts Forever and Always!"

Have a great week!

Target - Safety

Please help us keep our Carloop safe for everyone by following all traffic safety signs. We are going to start enforcing one way driving and driving the speed limit. Parents are able to earn STARSbucks and other incentives for following all traffic rules.

Thanks to all drivers for reducing the texting and driving while in the carloop.

Head Lice

Head Lice is on the rise. Combing 100% of nits out of the hair is the only cure for reinfestation. Treatments only kill the live lice. Combing out nits will remedy the situation. See nurse Jenn for more information if needed.
