

OPTIONAL

READING FOR SHERWOOD ELEMENTARY STUDENTS in GRADES 1st, 2nd, and 3rd

The following links connect you with a variety of fiction and non-fiction stories from the Leveled Literacy Intervention (LLI) Program. Staff read the books aloud and invite students to read the books to themselves by turning off the volume and/or hitting pause. The books provide a great opportunity to be entertained, learn, and practice reading fluency!

The books increase in difficulty so find your “perfect fit” book and begin. Open your internet browser, place the arrow over the https: link and hit control and the link will connect.

Enjoy
