HOME OF THE LI'L PIRATES!

Welcome to an exciting and different 2020-2021 school year! One guarantee is that this year will certainly look different, but our goal of providing the highest quality educational experience for your child has not changed! The PBE staff is truly all hands on deck either teaching our students in the building or providing innovative learning opportunities for our eLearning students. This year we will continue our growth and focus on strong academic work and social emotional learning. We are proud to announce we are an award-winning Positive Behavior Support (PBIS) school which encompasses our CHAMPS and L.E.A.D. expectations. We are looking forward to our continued growth of extra-curricular programs including our STEAM teams, Power Girls, MARs Club, Future Problem Solving and More. The Palm Bay Elementary Staff believes that the greatest successes are born from the greatest challenges! Despite the changes and challenges we face, we have a strong spirit and commitment as we sail towards greatness!

Kona Ice

Russell and Shannon Young of Kona Ice of South Palm Bay are true friends to Palm Bay Elementary! To help start this school year, the Youngs donated lanyards to each of our students in Kindergarten through Fourth Grade. The lanyards are used as a facemask clip so students can briefly remove their mask (for example, for lunch) without losing it. Kona Ice attends events as a fundraising opportunity for our school. Each year Kona Ice treats our staff to a shaved ice treat during Staff Appreciation Week, and the Youngs always agree to participate in Career Day or read-aloud events. Last year we created a K-Kids Award that will kick off sometime early this year.

APTT Save the Date!

This year we will continue hosting our Academic Parent Teacher Teams (APTT) ~ but virtually! Please look for an invitation from your child's teacher as we get closer to each of the APTT meeting dates (see below).

With our APTT model we will be meeting four times a year. This includes **three 60-minute team meetings** where all the families in a class will come together and **one 30-minute individual meeting** that allows teachers to provide you and your child one-on-one time. **It is critical to attend these important meetings, so we can plan how to work together to support your student's learning.**

Our goal is to have 100% of PBE families in attendance for APTT meetings.
