

JACKSON MIDDLE SCHOOL UN-FUNDRAISER

Every year Jackson Middle School does traditional fundraisers to help support the school with activities, services, programs, student and teacher needs that are not covered by the districts school budget. This year, a new option is being offered to help support Jackson!

The Un-Fundraiser is perfect for families that would like to contribute to fundraising, but do not want to participate in traditional fundraisers by buying items. We invite you to support our wonderful school by making a donation through this Un-Fundraiser. This fundraiser is completely optional to our families. All funds raised go directly back to the school.

To support the Un-Fundraiser, please make checks payable to Jackson Middle School with Un-Fundraiser on the memo line. Return your check or cash and the bottom of this page to school with your student or mail to:

Jackson Middle School
1515 Knox McRae Rd.
Titusville, FL 32780

Please send in all monies by December 18, 2020.
