

The Office of Leading and Learning is pleased to share a survey for teachers, school based administrators, parents, and community members to provide input for the 2018-19 instructional materials adoption of high quality, standards-aligned science curriculum. Use the login information below to access materials online and provide feedback using this link: <https://goo.gl/forms/WIGZ0gAEwFo5FVGE3>.

Questions can be directed to Michelle Ferro, Elementary Science Content Specialist (K-6), Loren Kerschensteiner, Secondary Science Resource Teacher (7-12) or Janet Stephenson, School Improvement Resource Teacher and Instructional Materials Contact.

Use the information in the table to access the online instructional materials for each publisher. Only materials listed for each individual course/grade level have met the initial requirements to be considered for recommendation to the School Board of Brevard County for adoption.
