PICTURE DAY SCHEDULE WED. SEPT. 2 & INSTRUCTIONS FOR ALL TEACHERS/ALL GRADES

1. ALL students 9-12 MUST be photographed to receive a STUDENT ID card. For 9-11 grades the picture is ALSO for the school yearbook. You will also need to be photographed to appear in the FAC/STAFF section.

2. You MUST follow the schedule below for your classes to make the process run smoothly. There will NOT be announcements.

3. By the time we reach 4th block, the amount of students needing to be photographed may have dwindled dramatically. If 10 or less students in your class need their picture taken, you may send them on their own, use the studentpass.net system.
