

Senior Portrait Information

VHS Yearbook

Hello Class of 2021 and Families!

Here is a helpful set up for scheduling senior portraits for the yearbook on campus.

All Road shoots will be at Viera High Schools campus. (In the event that the schools shut down, there will be alternate plans).

Cady Studios Road shoots Full- 10/9, 10/10, 10/24, 11/7, 11/14

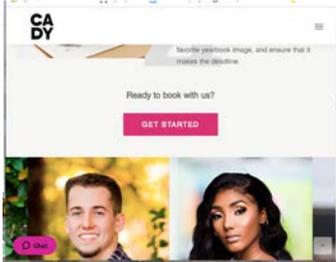

Road shoot Last Call- 12/5

Notes: Cady Studios has a plan in place to ensure safety for all. The photographers are temperature checked daily. All the Equipment, props, backdrops are sanitized daily/in between seniors.

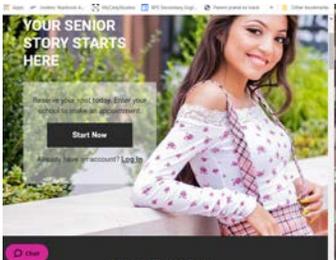

The seniors will take the formal in a black drape or a tux. They are sanitizing them in between uses. Guys should wear a white tshirt for underneath and girls should wear a white tank top or tube top. Also bring a change of clothes (or a few) to express your individuality. The Cap n Gowns will be sanitized between use as well. If there is an older sibling/family member or friend's Cap n Gown from Viera High School you can bring that to use.

How to Schedule:

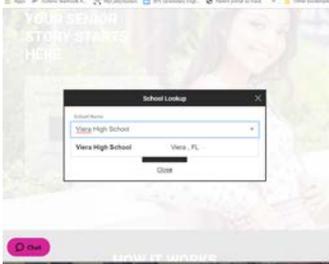

1. Go to Cadystudios.com and click book a senior
2. Scroll down about 1/3 of the way down past schedule soon and click on Get Started.
