*All teachers will have a wish list that will be shared with all parents during Meet and Greet. If you are able to donate any items off of the wish list, it would be greatly appreciated.

*If you have difficulty affording any of these school supplies, contact the front office as Atlantis will try to supply the supplies for your child.

*Please note, many supplies go into a class collection of supplies for the class to use so there is no need to buy "the most expensive".

*Although some supply lists may initially appear to be extensive, we realize school supplies are cheaper at the beginning of the school year rather than in January. These school supplies are for the entire school year.
