Interdisciplinary Center for Evaluation and Intervention (ICEI)

Weekly Webinars

Tuesdays at 10 a.m. via Zoom

[Click Here for More Details](#)

Hop on the ICEI Bus! The USF Interdisciplinary Center for Evaluation and Intervention, one of the Florida Diagnostic and Learning Resources System's Multidisciplinary Educational Service Centers (FDLRS-MDC), is excited to present a series of weekly webinars to help promote children/youth positive behaviors in the home settings and to prepare for students returning to school in the fall.

July 14th

Surviving the Summer: Understanding your Child's Behavior

July 21st

Proactive Tips for Returning to School and Supporting Students During an Uncertain Time

July 28th

Prevention Strategies to Reduce Challenging Behavior

August 4th

Teach me what to do! How to Reduce Challenging Behavior by Teaching Children Replacement Behaviors

August 11th

Promoting Desired Behavior and Effectively Responding to Challenging Behavior

August 18th

Can you see me now? Using the Good Behavior Game to Motivate Students to Join Online Learning and Increase Engagement

August 25th

Tips for Managing Anxiety and Stress During These Uncertain Times

The ICEI team members will be available to answer questions and discuss ways to individualize the strategies at the end of each webinar.
