From the desk of . . .

Mrs. Stephanie Hall, Principal

Dear Parents and Students,

I hope everyone had a wonderful holiday break and students are prepared and ready to tackle the second half of the year as we are getting ready to start our second semester.

Report cards will be issued on **January 25, 2021**. Parents, please review the report card and contact your child's teacher if you have any questions or concerns, as well as check to see if the teacher requested a conference. Timely communication between home and school is critical in helping students to be successful.

We are so very proud of all the wonderful exciting opportunities we are providing for our students to help them excel. Please read about them in our newsletter as well as follow us on Facebook.

Thank you for your continued support. Have a wonderful three-day weekend. We will be observing Dr. Martin Luther King Jr. holiday on Monday.

Sincerely,

Stephanie Hall

SELF ON A SHELF BOOK FUNDRAISER

Honor your student with a gift that keeps giving:

A book donation to your School Library.

Donate a book to our school library. This will honor your student, and help build our library collection and make your child feel special at the same time!

If you wish to participate, please contribute \$20.00 for a new library book that your child will personally choose.

Your child will have the honor of being the first person to check this carefully chosen new library book before it is added to the library's collection.

A customized bookplate, with your child's name and photo, will be placed permanently in the book.

(Or you may sponsor a book in appreciation of a favorite teacher or in memory of a special loved one.)

Hello Sea Park Families!

We have been having a great time in art! This past semester we created a collaboration wish tree like artist Yoko Ono. Many thoughts were about how much they care and love their family/pets as well as ending Covid! The rock garden has been shaping up, into a big spiral! Teacher and staff rocks start out at the beginning of the swirl. E-learners are welcome to send in a painted rock to add to it! The 6th graders are telling a story on pottery just like the Greeks. By chance if you are redecorating your house looking to donate, we are looking for big decorative vases to paint gold and display in the main hallway entrance.

I think it's important to have the opportunity to free draw each art class. After the students finish their classwork (that stays in art room) they free draw on little paper to take home (just in case you were wondering why they always have so many random little art papers).

It's a joy working with such well rounded children! Thank you! Ms. Kapatos

[January Fill the Teacher's Lounge](#)

Our Sea Park teachers and staff are simply the BEST! To show our appreciation we are asking your help in providing a small donation so that we can fill the teacher's lounge with snacks and treats. Each month will be sponsored by a different Sea Park grade so we can continue to show our support. Our 2nd Grade Families will sponsor this brunch themed event on Wednesday, January 20th. Any donation is greatly appreciated and happily received. Please review the available slots below and click on the button to sign up. Due to COVID restrictions, our event coordinator will receive food items outside the front office from 7:30 - 8:00 AM the morning of the event. Any non-perishable items may be sent with your child and delivered to the classroom. Thank you!

Optional art contest for all the Sea Park Artists.

If participating, due to Ms. Kapatos by February 24th.

The City of Melbourne is sponsoring the Florida Section of the American Water Works Association (FSAWWA) "Drop Savers" Water Conservation Poster Contest. Students are encouraged to create a poster depicting a water conservation idea, in slogan form, drawing form, or both. The contest allows students to promote water awareness and the importance of water conservation in their daily routines.

The packet with more information and the submittal entry form is attached. Entries are due Feb. 26. Your school's first place winner will receive a \$10 McDonald's gift card and overall category winners selected from among the schools in our area will win a \$25 gift card from Target. They will also be entered into a statewide completion.
