Questions and Answers

1. Do I have to fill out a Free and Reduced Lunch Application for my child?

No, unless you have children that attend a school that isn't listed on this flyer. If you have children enrolled in another school, you may submit a Free and Reduced Application for your family at www.brevardschools.org/Page/3473. Otherwise, no application is required.

2. I have a child attending a CEP school and another child attending a non-CEP school. Do they both receive free meals?

No, free meals are only for children that are enrolled at the CEP school. The CEP status does not extend to siblings who attend non-CEP schools. You must complete a family application if you wish to seek free or reduced benefits for your other children.

3. Can my child still purchase a la carte items?

Absolutely! We have a wide array of items available a la carte like milk, chips, bottled water, and ice cream. We are encouraging "no cash" in the cafeteria, so please be sure to fund your child's account at www.mypaymentsplus.com to ensure they have funds for extra items they wish to purchase.
