

Applying to the Cambridge Program at Johnson Middle School

*(Follow these directions for the Cambridge application if you are zoned for Johnson.)**

Each student will need to submit an original student hand-written essay reflecting on “*How will the Cambridge Program at Johnson Middle School help me to achieve my goals?*”

Along with their essay, applicants are required to submit the following documentation:

- A copy of your last report card
- Please include two of your current teachers’ names and email addresses, so the teacher recommendation link can be sent to their emails.

Please write the student’s name and student I.D. number, parent’s name, parent’s email address, preferred phone number, and home address on all copies of paperwork (essay, FSA/standardized test scores, most recent report card, and your two current teachers’ names/email addresses).
