April 2023

## A MESSAGE FROM THE PRINCIPAL

Dear Jefferson Families,

I am hopeful that our students were rejuvenated from their spring break and are ready to complete their final quarter of the school year. As a matter of fact, we have less than eight weeks of school left. Please encourage your child to continue to work diligently for the next few weeks.

Testing season is here! Please be reminded of the following dates.

Grade	Assessment	Dates
7/8	F.A.S.T. Writing	April 4
7/8	F.A.S.T. Reading	May 2
7/8	F.A.S.T. Math	May 9
7/8	Algebra & Geometry EOCs	May 9
7	Civics EOC	May 15
8	FCAT Science	May 15
8	Biology EOC	May 15

All testing is computer-based with the exception of 8<sup>th</sup> grade Science FCAT. Please ensure that your child has headphones or earbuds for the F.A.S.T. Reading test. A white board will be located in the commons for students to check their specific testing times and locations for each test. Finally, please ensure students are on time for school and try to minimize check outs – once a student starts a session they must complete it. If you have any questions concerning specific testing dates, please contact Ms. Yates at 453-5154.

Sincerely,  
*Mrs. Meara Trine*

## STATESMEN COLOR WARS

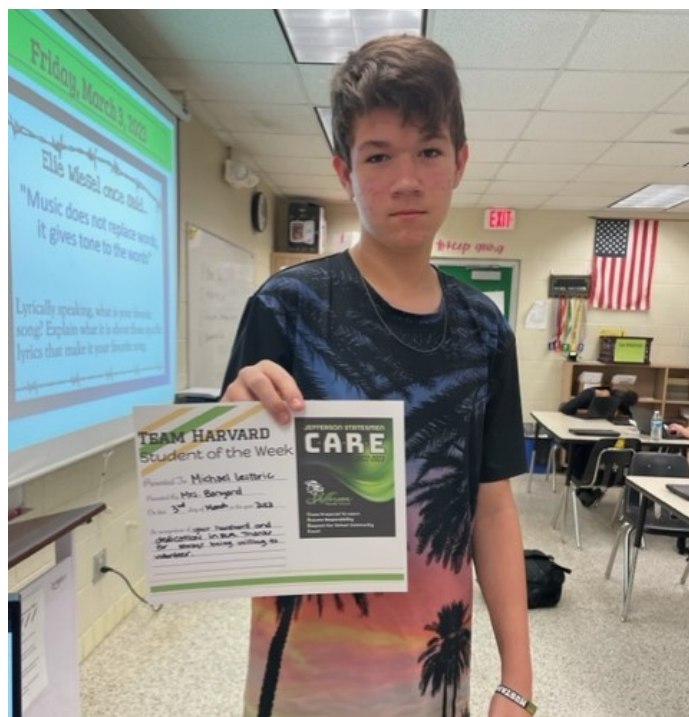

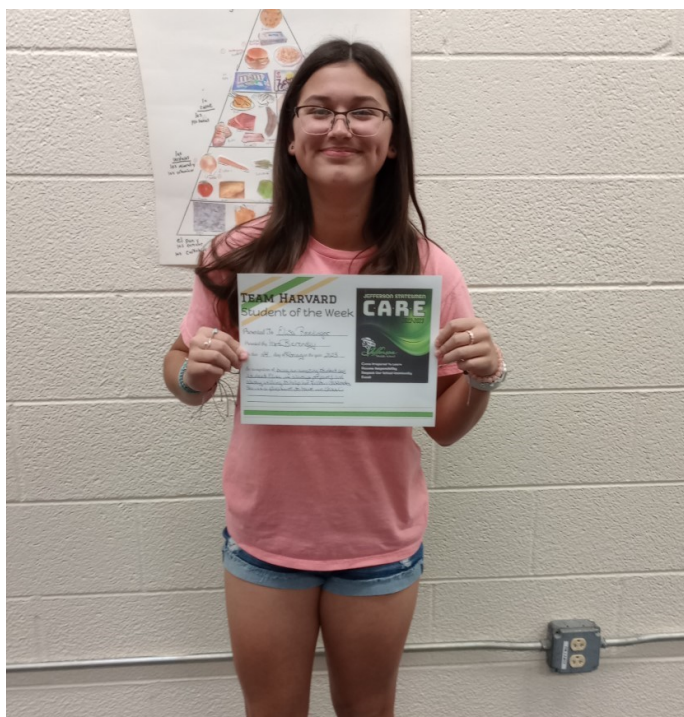

This month Jefferson held our first annual Color Wars. Students on each academic team competed in events like Jeopardy, dodgeball and field activities. Students used sand dollars to pay to be active participants, while the rest of their teammates cheered them on. At the end of the day Team Harvard took home the win by earning the most points across all of the events.

## HARVARD STUDENTS OF THE WEEK

Each week, Team Harvard teachers take turns choosing a student who exemplifies being a Jefferson Statesmen and demonstrates our C.A.R.E expectations. Team Harvard has honored two more students as Student of the Week. Elisa Reedinger was recognized by Mrs. Bierenday for being an amazing and helpful student who is always on task. Michael Lestoric was awarded Student of the Week by Mrs. Banyard who says that Michael was chosen for his hard work, dedication, and willingness to volunteer in class. Congratulations to our most recent Team Harvard all-stars!

## OPTIMISTS ESSAY CONTEST WINNERS

A HUGE congratulations to August Tavenier and Mycha Capacia who earned second and third place in the Cocoa Beach Optimist Club Essay Contest. The prompt this year was "Who is an everyday here who brings out the optimism in you?" Students talked about people in their lives and communities who make the world a better place. Jefferson had a record number of participants in this year's competition. Josslyn Allen, Trinity Warrick, Ruby Darrow, Brianna Vidal, Charlotte Larkin, and Allannah Fratin also submitted essays.

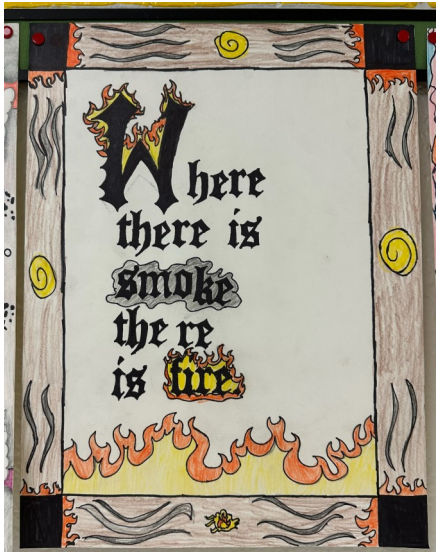

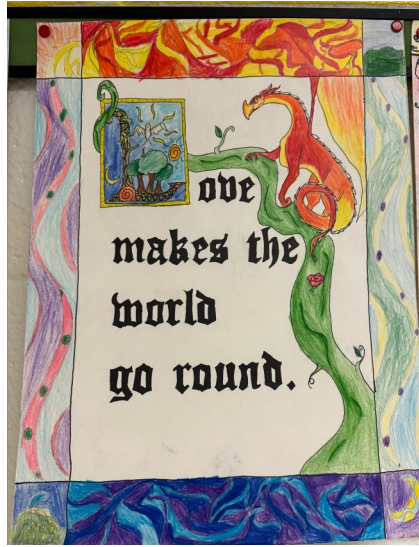

The Optimists International are a civic organization that fosters the principals of optimist through their work in the community.

## ART STUDENTS PRACTICE ILLUMINATED MANUSCRIPTS

Our new art teacher Ms. Ingram already has her students doing some amazing work. Her 2D classes completed a Medieval Manuscripts project and we are blown away! It was a difficult project that took time and patience. They learned about illuminated manuscripts, how to create an ornate letter, and how to make an interesting border. Here are a few examples, and the rest are currently on display in the commons area.

## IMPORTANT ATTENDANCE INFORMATION

As per BPS attendance policy, students are allowed up to 9 days of unexcused absences during a semester. After 9 unexcused absences have occurred, student may be in jeopardy of needing an attendance appeal or worse, failing due to absences (FA) if more unexcused absences continue. Excused absences that are not counted towards the 9 days are doctor notes, court notes, or religious holidays. Parent notes/calls are not excused absences.

## BAND UPDATE

The Statesmen Symphonic Band prepared and participated in the FBA District 6 Concert Music Performance Assessment this month earning a Superior in Sight Reading and an overall Excellent. Congrats to all of our Symphonic Band members. You can catch the band at their Spring Concert, on May 16<sup>th</sup> at Merritt Island High School.

At Jefferson, we are committed to giving all students the help they need. All of our teachers have at least one day available for tutoring. If your child should need help in a class, we encourage them to visit their teacher during their tutoring times.

In addition, we offer morning school before school every day beginning at 8am. Students may use that time to get help on their school work or to access the computer lab if they need help with online resources or printing.

Thomas Jefferson Middle School students can earn Sand Dollars (school currency) by meeting posted expectations in the classroom, in the cafeteria, in the commons area, in the media center, and on the bus. Sand Dollars can be awarded by any staff member!

JMS teachers also recognize students by sending home Positive Behavior post cards or giving students Positive Behavior Referrals for following classroom expectations throughout the week. Students with Positive Behavior Referrals receive an extra treat on Fridays.

The JMS school PBIS store is open once a week during each lunch period. Students can use Sand Dollars for snacks, candy, school supplies, JMS merchandise, gift cards, and special privileges, etc. Privileges can include passes to cut the lunch line, funds to make cafeteria purchases, or even Chick-fil-a lunch.

Sand Dollars can also be used to purchase other PBIS incentives such as popcorn in the cafeteria and time outside during lunch.

In addition to all this, JMS hosts a Sand Dollar Spectacular once a semester. Students use Sand Dollars to participate in Sand Dollar Spectacular activities such as movies, Bingo, baking, and so much more!

## Access to Resources and Services in the School Library Media Program

### Open Letter to Families

**The Library Mission statement:** The mission of the library media center is to create information literate citizens who effectively access, evaluate, and use resources to encourage and prepare students to be life-long learners.

The library provides materials and services that meet academic, technical, personal, and social needs of the school community. Materials for the school libraries are selected by professionals who are trained to develop collections for their school based on the needs of their population and curriculum, independently of their personal opinions or beliefs.

The media selection policy includes a wide range of materials with a varied range of reading and interest levels. Book selection is based on but not limited to student interest, instruction, cultural representation, socioeconomics and various points of view. Because libraries are forums for information and ideas, books are provided for the interest and enlightenment of all students and teachers.

As with all other aspects of a student's education, parents are encouraged to be involved in a student's book selections. The books in the media center, whether part of a specific reading program or not, are available for the review of all patrons.

Families may browse the collection of your school media center by visiting this site:
