**Extra Academic Support ...and  
earn Sand Dollars!**

Student Success is our Goal:

- **All** students on campus or in front of the school prior to 9:05 a.m. will be sent to the Media Center for academic enrichment and intervention.
- Students will be **expected** to participate and receive intervention or enrichment from a teacher
- **This is not a time for non-academic tasks or games. Students are expected to work diligently the whole time.**

Individual teacher tutoring schedules will remain in place. If needed, students in morning school will be dismissed accordingly for tutoring with specific teachers. Those not attending tutoring are expected to remain in Morning School and continue their work or read a book.

## Morning School Study Groups

### Study Group Option

Morning school study groups is a new addition this year to our morning school plan. Students will be grouped by grade level and have two days for study groups. Students can still attend morning school the other days, but they will work with their teacher and other group members one day a week on study skills, reviewing class content, and test prep when needed.

Study groups will not begin until there are enough students to create a group. If you are interested in learning more about the study group, please email [clevenger.jonell@brevardschools.org](mailto:clevenger.jonell@brevardschools.org)

### Study Group Schedule

**7th Grade** will meet Tuesdays and Wednesdays from 8:00-9:05.

**8th Grade** will meet Thursdays and Fridays from 8:00-9:05.
