Dear University Park Elementary Parents and Community,

The scores are in! University Park has worked very hard last year. We are a “C”. You can view a break down of the schools scores as well as surrounding schools by visiting [http://www.fldoe.org/accountability/accountability-reporting/school-grades/](http://www.fldoe.org/accountability/accountability-reporting/school-grades/). Individual test scores also came in. They are ready for pick up in the office at your earliest convenience. On the top of your child’s score report is a break down of what each score means. However, you can make an appointment at any time to sit and review the scores with school personnel. Just call and ask for an appointment.

The 2017-2018 has not been released yet. To access SPAR from previous years please visit [http://doeweb-prd.doe.state.fl.us/eds/nclbspar/index.cfm](http://doeweb-prd.doe.state.fl.us/eds/nclbspar/index.cfm)

Guidance Challenge for September
Put Kindness into Action!

Bullying so often tears people down. When you know that someone has been hurt or broken down, help them back up! This can be someone you know well, or someone you just met. Put kindness into action and support a peer this month! Ideas include:

- Inviting a new friend into a group activity at recess
- Holding the door for someone who is coming in behind you and smiling at them
- Complimenting a peer on something they did well, such as a classroom project
- Assisting a classmate when you see they need help with something
- Leaving a kind note in a book at the library when you finish reading it
