Each Title I school shall jointly develop with parents and family members of participating children, a written plan that shall describe how the school will carry out the requirements mentioned below. Parents shall be notified of the plan in an understandable and uniform format and, to the extent practical, provided in a language the parents can understand. The school plan must be made available to the local community and updated and agreed upon by parents periodically to meet the changing needs of parents and the school.

All families and community members were invited and encouraged to provide input and suggestions on developing/reviewing this plan. This plan is available on our school website and in the Title I parent and family engagement notebook located in our front office. If you would like a printed copy of this document, or require translation, please contact our Title I Contact Christine Therber 321-633-3489 ext. 44802 or therber.christine@brevardschools.org

Se invitó y alentó a todas las familias y miembros de la comunidad a proporcionar aportes y sugerencias sobre el desarrollo / revisión de este plan. Este plan está disponible en el sitio web de nuestra escuela y en el cuaderno de participación de padres y familias del Título I ubicado en nuestra oficina principal. Si desea una copia impresa de este documento o necesita una traducción, comuníquese con nuestro contacto de Título I Christine Therber 321-633-3489 ext. 44802 or therber.christine@brevardschools.org

School’s vision for engaging families: N/C ALC’s staff will be available for any academic support, counseling and any other needs that our families might require assistance for. Offering parent/family events virtually and/or brick and mortar each semester with emphasis and training on growth mindset and restorative practices. Including families in our positive behavioral interventions and support student recognitions along with attendance and honor roll. Also, informing our families of any BPS district parent/family engagement events.

Assurances
We will:

- Involve an adequate representation of parents, or establish a parent advisory board to represent families, in developing and evaluating the “School Parent and Family Engagement Plan” that describes how the school will carry out its required family engagement activities.
- Hold an annual meeting for families to explain the Title I program and the rights of parents to be involved. Offer other meetings/workshops at flexible times.
- Use a portion of Title I funds to support parent and family engagement and involve parents in deciding how these funds are to be used.
- Involve parents in the planning, review, and improvement of the Title I program.
- Develop a school-parent compact that outlines how parents, students, and school staff will share the responsibility for improving student achievement, and describes how parents and teachers will communicate.
- Offer assistance to parents in understanding the education system and the state standards, and how to support their children’s achievement.
- Provide materials and training to help parents support their child’s learning at home.
- Provide staff development to educate teachers and other school staff, including school leaders, on how to engage families effectively.
- Coordinate with other federal and state programs, including preschool programs.
- Provide information in a format and language parents can understand, and offer information in other languages as feasible.
- Include the School and District Parent and Family Engagement Plans on our school website and in the Parent Engagement Notebook in the front office.

Parent Notifications

As required by the Every Student Succeeds Act (ESSA) the following information is to be shared annually with parents:

Right to Know Information

All parents of a student in our school have the right to request information about the professional qualifications of the teachers or teaching assistants who serve their child. This information may be requested at the front office.

Non-State Certified Teacher Notification

ESSA requires us to notify parents when a teacher, who does not meet State certification or licensure requirements at the grade level and subject area in which they are assigned, teaches your child for four consecutive weeks. It is Brevard Public Schools’ policy to only employ state certified teachers. However, we will send home a letter providing you with specific details about the situation if this ever occurs.

Title I Complaint Procedure

If any LEA or School Plans (e.g. Title I LEA Plan, Title I LEA PFEP, Title I School PFEP or SIP) are not satisfactory to the parents of participating children, the school district will submit any parent comments with the Title I, Part A plan when the school district submits the plan to the State Department of Education. Parents must be informed of their rights to submit comments. Comments received at Title I schools MUST be forwarded to the Office of Title I and those comments will be included with submission of the LEA Title I Plan, as required.

What is Title I?

Title I provides support through resources and research-based training, enabling schools to develop high quality, enriched programs that meet the individual needs of all children, families, and staff.

Title I is a federally funded program designed to improve achievement at schools with a high percentage of students eligible for free and reduced priced lunches. Every student enrolled in our school is eligible for Title I services. Programs are designed to serve children who need extra help in meeting state standards.

Our school has coordinated the Title I plan with our School Improvement Plan (SIP). Parents participate by completing surveys when their student enters our school, interim stipulation surveys and participating in Parent/Family Engagement nights to help develop and review all school plans. Copies of plans are available upon request from the front office or at the school website.

At N/C ALC our Title I program provides support to teachers in reading and math. Funds are also used to pay for instructional materials, classroom supplies, computers and other technology.
N/C ALC 2020-2021 Parent and Family Engagement Plan (PFEP) Summary

At North/Central Alternative Learning Center, we believe that students can learn from their mistakes. We strive to teach students the importance of effective decision making and the positive consequences of making good choices. The value of lifelong learning is reinforced through our individualized curriculum and positive behavior support program.

Involving Families

N/C ALC gathers parent input starting with the Parent/Student intake. We know that engaging the parents in the education of their student will positively impact their student’s achievement. Participation in the Annual Title 1 meeting and Parent/Family Engagement nights are recommended and encouraged. During these events, discussion, exit slips and surveys prove to be the best way of getting ideas and suggestions for the use of Title 1 funds, Comprehensive Needs Assessment, School Improvement Plan, Parent/Family Engagement Plan and the School-Parent-Student Compact. The Parent Liaison also gets feedback with interim stipulation parent surveys, student surveys and community surveys.

Supporting Partnerships

N/C ALC uses many different forms of communication to build relationships with families. Monthly newsletters and Blackboard Connect messages are sent via phone, email and text to disseminate important information. The school website is another avenue of getting information to families. Parents have access to check their students MESH (math, English, science & history) grades through Odysseyware. N/C ALC has graduation ceremonies for all the students who are eligible to graduate. We also have a SRO on site to promote respect and positive behavior, along with Eckerd Connects School based prevention education program.

Full Participation

We believe that all families should have the opportunity to be involved in their student’s education.

Training School Staff

The teachers and staff at N/C ALC strive for excellence. They take advantage of opportunities for learning throughout the district. We have district personnel or guest speakers educate our faculty and staff on best practices in reaching out, communicating and building partnerships with families.

Coordinating Programs

Our ESE resource teacher services student’s who have IEP’s with one on one and small group instruction. Also, the literacy coach and Instructional Assistant’s help service students in need of academic support.
