

2020- 2021 SCHOOL & DISTRICT REPORT CARD INFORMATION

The Elementary and Secondary Education Act of 1965 (ESEA), as amended by the Every Student Succeeds Act (ESSA), and implementing regulations maintain requirements for state and local educational agencies to prepare and disseminate report cards that provide information on State, Local, and school performance and progress in an understandable and uniform format. The Alternative Learning Centers do not receive a School Report Card since our students are considered under their home schools until they finish the conditions of their stipulation. To find the report card for your child's school go to <https://edudata.fldoe.org/>. This link will take you to the Florida Department of Education's Know Your Schools portal. Choose "School Report Cards" and when the school selector prompts you, select "Brevard" for the district and then choose the school your child attends from the school search drop-down list. Click on "view school report card". You will see 2020-2021 School Report Card. To view Brevard's District Report Card, go back to the Know Your Schools homepage and choose "District Report Cards", choose "Brevard" from the drop-down list. Any of the selected reports offer the language selector at the top right of the page which enables you to view the reports in Spanish or Haitian-Creole. If you would like a printed copy or need the document translated into another language, please email Ms. Therber at therber.christine@brevardschools.org or call 321-633-3480 ext. 44802 for assistance.
