

Dear Indialantic Families,

This year, the “are you returning” re-enrollment packet is electronic. In order to access the electronic re-enrollment documents, you will need an active FOCUS Parent Portal (FPP) account. The FPP allows you to view student grades, class schedules, assessment history, attendance, discipline referrals, communicate with teachers, complete registration/re-enrollment forms, etc...

If you do not have an active FPP account, you will receive a FOCUS pin number via email. This letter will include your student’s ID number, the pin number, and directions for creating your FPP account. FOCUS can also be accessed on your wireless device by downloading the BPS FOCUS app.

For those with active FPP accounts, the re-enrollment forms can be accessed in a couple of ways. There is both a bit.ly and a QR code to take you to the instructions (see below). Also below, is a bit.ly and QR code for a video tutorial. Please read the instructions thoroughly to ensure you are submitting “re-enrollment” information.

Print Directions for parents: <https://bit.ly/BPSreenrollment> (copy & paste this link into your browser rather than clicking on it) **QR Code for Print Directions**

Video Directions for parents: <https://bit.ly/FocusRe-Enroll> (copy & paste this link into your browser rather than clicking on it) **QR Code for Video Directions**

Please complete the online re-enrollment in FOCUS by Friday, April 7th.

Thank You,

Dr. Lori Braga

Principal

******Please note: This is for re-enrollment/currently enrolled students only. Parents of 6th graders will complete this re-enrollment with us. The FOCUS information will roll-up to the middle schools the 6th graders will be attending. This is NOT for incoming kindergarten or new students.***
