Principal News

Saddle up for a great year! Mark your calendars for upcoming registration and first days of school for each grade level. We have scheduled a Meet and Greet to find your classroom and meet your teacher as well as Open House on 8/31-9/1, which will coincide with our Book Fair. We will be dividing the Open House between grade levels to minimize the number of people on campus.

Meet and Greet

On Friday, August 6th from 9:00-9:30 AM parents and students are invited to meet their next year's teacher if your **student's last name begins with A-L. Students with the last name beginning with M-Z meet the teacher from 9:30-10:00 AM** on Friday, August 6th.

The district created COVID-19 Mitigation Strategies for the upcoming school year, which were shared with the School Board today. They discussed facilities, daily operations, Professional Development, Student Health, Provisions, Academic Support, Student Activities and items that are still being considered. I will be creating a plan for Sea Park that is thoughtful and takes into consideration student safety.
