NEW 12 WEEK CONSTRUCTION TRAINING COMING TO TITUSVILLE

Titusville, FL- Brevard Public Schools Adult & Community Education in conjunction with Education Is Cool Get One Inc is bringing an 82.5 hour, **12 week short-term basic construction training program** to Titusville, FL. Classes will run **May 3rd - July 23rd** meeting Tues. & Thurs. 5-8 PM (and select Saturdays).

Participants learn **hands-on, coupled with foundational theory** using the National Construction Center for Education and Research (NCCER) training materials to enter the workforce at an accelerated pace.

The participants who complete the program will have **the knowledge and skills to fill construction shortages in skilled positions**. After they have completed the course and received their certifications, they receive placement assistance with reputable construction companies within the region with the help of HZ Construction.

There will be several registration events throughout North Brevard to answer any questions and to assist with the application process. **The registration events will be held on the following dates:**

Saturday, January 22, 2022- [Titusville Public Library 10am – 12pm](#)
Saturday, February 19, 2022- [Cuyler Park Titusville 10am – 12pm](#)
Saturday, March 26, 2022- [Issac Campbell Park Titusville 10am – 12pm](#)
