USDA Extends Summer Food Service Program through December 2020

The United States Department of Agriculture has issued a meal flexibility waiver to extend the Summer Food Service Program (SFSP) through December 31, 2020 or until funding is depleted. The purpose of this extension is to ensure children have access to nutritious meals as the nation reopens during the coronavirus pandemic. This flexibility allows schools that qualify to offer meals at no charge to all children ages 18 and younger.

Effective September 16, 2020 the following schools will offer both breakfast and lunch meals at no charge to all students regardless of status:

Andrew Jackson Middle School
Apollo Elementary School
Astronaut High School
Atlantis Elementary School
Audubon Elementary School
Bayside High School
BLAST Program at Clearlake
Cambridge Elementary School
Cape View Elementary School
Central Middle School
Challenger 7 Elementary School

A la carte items will continue to be available for purchase in the cafeteria.

Meals will also be distributed curbside for children ages 18 and younger who are not attending school inperson, including e-Learners, virtual students, and children not of school age. Under SFSP, parents may pick up meals at any meal distribution site. Meal distribution will be on Mondays, Wednesdays, and Fridays at all schools with the exception of the following: Clearlake BLAST, Educational Horizons Charter, Fieldston Prep, North/Central Abeyance, Riverdale, Sculptor Charter and South Abeyance. Parents may pick-up for children that are unable to accompany them provided they present a form of each child's identification such as a student id or birth certificate.

Please be advised that this is a <u>temporary</u> flexibility. Therefore, it is important that Brevard Public School (BPS) families interested in meal benefits for their children apply for Free and Reduced priced

meals now if they haven't done so already. Upon expiration of this meal flexibility, the schools listed above will transition back to the National School Lunch Program (NSLP). Under the NSLP, breakfasts will continue to be offered at no charge, and lunch prices will be based on student status. Free and Reduced Price Meal Applications can be completed online at www.brevardschools.org/page/3473.

BPS and the Office of Food and Nutrition Services is pleased to be able to offer continuity of meals to help alleviate food insecurity for our community during the pandemic.
