**Office Closed**

Please do not hesitate to reach out if you have any questions. Your first point of contact will be your child’s teacher. Teachers are standing by, ready to answer questions and help in any way they can. If your child’s teacher is not able to answer your questions, he/she will point you in the right direction—we are all here to help!

We will be closing our school office after April 6th. This closure means that we will no longer answer our main school telephone line after April 6. After that date, please direct all questions, concerns, and inquiries to the following email address:

MeadowlaneIntermediateElementary@brevardschools.org

One of our staff will respond to your question within 24 hours.

**Mrs. Fredrick’s Math classes—6th grade**

In addition to the weekly teacher-assigned lessons in iReady Math, all students need to complete 45 minutes on My Path lessons. The time spent on teacher-assigned lessons does NOT count towards My Path minutes. This is a weekly assignment. Please contact Mrs. Fredrick if you have any questions.

Parents, by the end of this current school year a new permanent principal will be named for Meadowlane Intermediate. We are conducting a school site analysis in order to gather input from our parents to be used as part of the selection process for a principal to lead Meadowlane Intermediate. Please go to our school’s website at

https://www.brevardschools.org/MeadowlaneInterES

and complete the Parent Site Analysis Survey by April 15th. The survey is anonymous, and your survey results will not be seen by anyone at the school level. The results will only be available to the Assistant Superintendent of BPS Leading and Learning. We thank you in advance for taking the time to complete the survey; we value your input.
