Scholastic Book Fair February 24-28, 2020

The book fair is coming to the Media Center! Mark your calendars! The Scholastic Book Fair will be returning to Jupiter Elementary on **February 24-28, 2020**. In addition, we will be open during Family Literacy Night/Dr. Seuss’s Birthday, on the evening of **Thursday, February 27, 2020 from 5:30-7pm**. Come see us in the Media Center!

**Scholastic Book Fair eWallet**

The eWallet digital payment option was a huge success at our last book fair! No cash on hand the day of the Book Fair? No worries – Scholastic is offering Book Fair eWallet as a new payment option. Simply set up an account and have funds immediately available for your child to shop the Book Fair.

**How it Works:**
*Create Account - Add Funds – Shop*

You can set up your eWallet beginning February 6, 2020 by visiting: https://www.scholastic.com/bf/jupiterelementaryschool1

Science

Jupiter Super Science Saturdays

Jupiter is holding Saturday Science events for 5th grade students getting ready to take the Florida Science State Assessment (SSA). Our first Saturday event was held on Saturday, January 25th and 23 students were in attendance. Students went over the Nature of Science with hands-on activities on using Science tools and reviewing variables and the Scientific Method with a parachute activity. These lessons and skills will be reinforced in the following weeks in the Science Lab.

There are three more Saturday events planned for February 22, March 7, and April 18. Students can still sign up for the remaining sessions. Please see Mrs. Macgowan for information.

Jupiter Science and Engineering Fair

Our Jupiter Science and Engineering Fair will be held on Friday, February 7, 2020. Students in grades 4-6th will compete in three main areas: Science, Computer Science and Engineering. These three areas have been broken down into 10 sub-areas. Our judges will be looking for the top 3 projects in each of the 10 sub-areas. The Jupiter Awards Ceremony will be held at 6:15pm on Monday, February 10, 2020.

The top 15 projects from the school Science and Engineering Fair will compete at the South Area Science and Engineering Fair on Tuesday, March 10, 2020 at the Melbourne Auditorium. The Awards Ceremony for the South Area Science and Engineering Fair will be held Wednesday, March 11, 2020.

Science Club

Our Science Club fundraiser was very successful. Thank you to all who participated. The monies raised will help offset a Club field trip in March. More details to follow.

Science Resources

Students looking to strengthen their Science knowledge in Science and better understand our standards can log into Floridastudents.org and follow the links to Science and their grade to play fun Science games and work through tutorials. The best tutorials are those labeled "Original Tutorial". These tutorials were created by Florida teachers and designed to cover the standard completely.
