National School Breakfast Week
Save time on busy weekday mornings, choose school breakfast. March 4 – 8, 2018 is National School Breakfast Week. Our district is celebrating the school breakfast program with the “Start Your Engines With School Breakfast” campaign. Brevard County has a ‘no cost’ breakfast program every day, and encourages students to eat breakfast every morning.

Join us as we welcome our newest Croton Cardinal! Mrs. Susin had her baby girl, Laine Lynn, on February 4th. Congratulations to the Susin Family!

Thank you
A big thank you to our local community members and Patrick Air Force Base, for supporting Croton’s Science Fair by coming to volunteer and judge for us!
