Dear Parents and Families,

It’s hard to believe that March is upon us. We are working very hard and have a lot going on around the “Pine.” There are many important updates in this newsletter, including our FSA testing dates. Please be sure to read thoroughly and make a note of important dates and details.

We want to thank you for all you did to show appreciation to our faculty and staff throughout the month of February. We are so fortunate to work in such a wonderful community.

We look forward to seeing you around campus!
