Dear Parents:

Welcome to Viera High School! Thank you for entrusting Viera High School with your student’s education. In order to expedite the registration process for you and your student for the upcoming school year, we are beginning our registration process now. Completing this phase of the registration process will permit you and your student to go through registration in August with minimal time.

In this packet you will find all the necessary paperwork to complete the registration process for the upcoming 2020-2021 school year. In order to consider your child “registered”, the following must take place:

1. All forms must be filled out in completion and signed by both the parent/guardian and the student.
2. Two forms of proof of address, one from each of the below tiers, must be provided and returned with the packet.

Both proofs of address must match the address on file with the school. If your address has changed, please contact your student’s current school to complete a change of address with them.

**Tier 1**

- Current driver license (F.S. 322.19 (2) requires that you update your address information on your driver’s license within 10 days of moving)
- Current Homestead Exemption Card or Purchase Contract (with expected closing date within 90 days of start of school) or Warranty Deed
- Lease/Rental Agreement (with your name as the renter)

**Tier 2**

- Current utilities statement (dated within the last 30-45 days)
- Florida voter registration card
- Florida Vehicle Registration or Title
- A utility hook up or work order dated within 60 days
- Medical or health card with address listed
- Current homeowner’s insurance policy or bill
- Current automobile insurance policy or bill
- A letter from a homeless shelter, transitional service provider, or a half-way house verifying mail is received at that location.

Please return your student’s completed packet to your student’s current school by April 1, 2020. Packets are to be turned in to their first period teacher. Students without a first period may turn their packets in to the front office. Incomplete packets will not be processed and will be returned to students. Please keep in mind that all financial obligations must be paid before registration begins. Failure to turn in your packet may result in a delay in creating your student’s schedule for the 2020-2021 school year and will result in further delays for you at registration in August. Emails will be sent to parents over the summer regarding dates of registration and important events at Viera High School. Please check to ensure that your FOCUS account is currently enabled to receive emails so that you will receive my email update for your student.

Thank you for taking these important steps to ensure your student’s registration is complete. I look forward to your student attending Viera High School for the 2020/2021 school year.

Sincerely,

Sarah Robinson

Both the registering and non-registering parent/legal guardian shall designate on the Emergency Contact List those persons authorized to pick up their child from school in an emergency. It is both parents’ responsibility to inform the school of any changes to the information each has provided on the emergency contact list.

Any and all persons listed as an “emergency contact” will only be called and allowed to pick-up the student during an emergency. The registering parent/legal guardian will need to contact the school prior to the release of a student for “non-emergency pick-ups”.

This policy shall also encompass such actions as look-alike items, false fire alarms, bomb threats, or intentional calls to falsely report a dangerous condition. The Superintendent is authorized to establish administrative procedures on weapons which require students to immediately report knowledge of weapons and threats of violence by students and staff to the building principal. Failure to report such knowledge may subject the student to immediate suspension and potential expulsion from school. Exceptions to the Board's prohibition from openly carrying a handgun or carrying a concealed weapon or firearm in any school safety zone, elementary and/or secondary school, alternative learning center, adult education center, administration building, Board meeting, and in any setting that is under the control and supervision of the District for the purpose of school activities approved and authorized by the District including, but not limited to, property leased, owned, or contracted for by the District, any school-sponsored event, or in a District vehicle include the following:

(Working firearms and any ammunition will never be approved as part of a presentation.)
The Superintendent will refer any student who violates this policy to the student's parents/legal guardians and to the criminal justice or juvenile delinquency system. The student may also be subject to disciplinary action, up to and including expulsion.

Brevard School Board Policy 5530 Drug Prevention:
The Board prohibits the use, possession, concealment, or distribution of any drug or any drug-related paraphernalia as the term is defined by law, or the misuse of a product containing a substance that can provide an intoxicating or mood-altering effect on school grounds; on school vehicles; and at any school-sponsored event. It further establishes a drug-free zone within 1000 feet of any facility used by the District for educational purposes. The Superintendent shall prepare procedures for the identification, amelioration, and regulation of drug use in the schools. Such procedures shall establish means for dealing with students suspected of drug use or suspected of possessing or distributing drugs in school and ensure that the District's policy and administrative procedures on Search and Seizure Policy 5771, Suspension and Expulsion Policy 5610, and Permanent Exclusion Policy 5610.01 are complied with fully.

Brevard School Board Policy 5500 Student Conduct:
Notwithstanding any other provision of Board policy, pursuant to F.S. 1006.13(5), any student found to have committed an act of assault or aggravated assault, or battery or aggravated battery, on any elected official of the School District, teacher, administrator, or other School District personnel, shall be recommended for expulsion or placement in an alternative school setting, as appropriate, for a minimum period of one (1) year. Upon being charged with such offense, the student shall be removed from the classroom immediately and placed in an alternative school setting pending disposition. This is notice from the School Board, the Superintendent, and the principal and staff of your school that violence and violent behavior by a pupil or adult student will not be permitted at any time, at school; on school property; at school bus stops; on school sponsored transportation; or during school sponsored activities.

Revised 4/23/18 MM
School Board of Brevard County, Florida
STUDENT/PARENT CELL PHONE OR WIRELESS COMMUNICATION DEVICE (WCD) CONTRACT

Protecting students, staff and maintaining the integrity of the learning environment is the top priority.

- Use of cellphones/WCDs, except those approved by a teacher or administrator is prohibited and must be either powered completely off (or placed into vibrate or silent mode) and stored out of sight.
- When authorized and approved by the site principal or site leadership team, students may use cellphones/WCDs before and after school, during their lunch break, in between classes, during after school activities, and at school-related functions, as long as they do not create a distraction or disruption educational environment.
- Students may use cellphones/WCDs while riding to and from school on a school bus for school-sponsored activities, at the discretion of the bus driver, teacher, or sponsor. Disturbing behavior that creates an unsafe environment will not be tolerated.
- When directed by the administrator or sponsor, Cellphones/WCDs shall be powered completely off during after school activities and stored out of sight.
- Students shall have no expectation of confidentiality with respect to their use of cellphones/WCDs on school property.
- Possession of cellphones/WCDs by a student at school during school hours and/or during extra-curricular activities is a privilege that may be forfeited by any student who fails to abide by the terms of this policy, or abuses this privilege.

Should a student be observed using a cellphone/WCD, or a cellphone/WCD rings during the school day, discipline action may include but is not limited to an office discipline referral and confiscation of the phone. Additionally, student abuse of this policy will result in the student losing the privilege to be able to carry a cellphone/WCD permanently, or for a period of time as determined by an administrator.

- Student behavior concerning cellphones/WCD must be consistent with the School Board Policy 5136.
- Student cellphones/WCD ringing or vibrating in class may result in confiscation of the phone and disciplinary action.

During times of testing and other student evaluations, teachers may request that students remove their cellphone/WCD from their possession, either by returning to a locker or placing under a desk, reducing the possibility of compromised test security.

Fire drills, assemblies, or other school evacuations are considered cellphone/WCD blackouts. During such contingencies, cell phone/WCD usage may be limited or prohibited.

The Family Educational Rights and Privacy Act, a Federal law, requires that school districts with certain exceptions, obtain written consent prior to the disclosure of personally identifiable information from a child’s education records. However, school districts may disclose appropriately designated “directory information” without written consent, unless you have advised the District to the contrary. School Board Policy 8330 designates as student "directory information:" a student's name; address; telephone number, if it is a listed number; date and place of birth; participation in officially-recognized activities and sports; height and weight, if a member of an athletic team; dates of attendance; date of graduation or program completion; and awards received.

This form will be used to allow you the opportunity to restrict the release of “directory information,” and to provide appropriate permissions. Please complete this form and return it to your child’s school within 15 business days after enrollment. If signed form is not received by the school and/or options selected, it will be assumed that permissions for release of directory information and/or permission to publish photos and videos have been granted.

Current School Site: __________________________

Brevard Public Schools is pleased to offer an innovative cloud technology solution to our students and staff. This service includes ad-free, secure and highly engaging web applications that help teachers and students communicate and collaborate with one another.

Our District strives to foster a culture of collaboration and an atmosphere of engagement as we prepare students to thrive in a world that is becoming increasingly connected by the Internet. While we remain committed to the high standards of Florida’s curriculum, we also believe that school districts are implicitly and explicitly obligated to introduce 21st Century Skills within the context of those standards. This initiative strengthens Brevard’s ability to meet that obligation.

With this cloud-based initiative, students and teachers will have *open, authentic access to and from the internet for the following tools:

- **Online Docs**—Online documents, spreadsheets, presentations and forms.
- **Web Sites**—Individual and team websites with videos, images, gadgets, and documents integration.
- **E-mail account**—webmail service accounts that are intended to be used for instructional purposes.

Video sharing will only be available to Brevard County School Board Staff and Students.

Brevard’s Cloud-based Apps will have several layers of security designed to protect students and enforce our Student Acceptable Use Policy (7540.03). While it is impossible to guarantee a foolproof system, our District’s system administrators will have full authority and ability to monitor content, investigate concerns and, should the need arise, disable accounts for inappropriate use.

We hope that parents are as excited as we are about bringing these engaging new tools into Brevard’s classrooms and into the hands of our teachers and students. Please indicate your approval below. Should you choose to deny permission, we would be interested to know your concerns so that we can either satisfy them or work to find an alternative solution.

Please choose ONE of the following:

☐ I grant permission for my child to receive an *open and authentic Cloud Collaboration Account and authorize my child to post word samples on the Internet for instructional purposes.

☐ I do not want my child to be given a Cloud Collaboration Account.

*open and authentic access is not limited to Brevard County School Board network users.

This approval will stay in effect until a written change is submitted by the parent/guardian.
