LEWIS CARROLL ELEMENTARY SCHOOL

Jami Miner, Principal

A Brevard County Public School

Dear Lewis Carroll Families,

This year we have been working as a team to deliver quality instruction to all students. Teachers have participated in professional development and students have been engaged in challenging tasks, producing something I like to call "brain sweat!" I am so proud of the work I am seeing around our campus. Students are working hard and our Progress Monitoring data shows it! I am honored to be the principal of such an amazing school. The staff, students, and community are truly the best. I look forward to all the exciting activities planned for the second semester.

Sincerely,
Jami Miner

Our annual Mega Blast fundraiser is in February with the Mega Blast event on February 14th. To make the event day fun and successful for our students, we will need lots of parent volunteers! You must be a registered volunteer to help, so make sure your status is up to date.
