## Principal's Message

Dear Parents,

The first two days back went smoothly. It is so nice to see students and their families back on campus. The days went so quickly! Thank you, to our APT (parent organization) for providing the delicious lunch for us on registration day. We appreciate your consideration and kindness. 😊

Dismissal always takes a little longer the first few days of school. Teachers, parents and students are trying to develop new dismissal procedures for a class full of students going in different directions. A gentle reminder, please do not walk up to the front (north) or side (east) car loop looking for your child(ren). If you are parked and out of your car and prefer a park and pick up routine, please communicate with the teacher so they can have your child(ren) in the south area of the campus for park and pick up. Both car loops are for drive through pick up, only. If we have a very rainy, stormy day, the park and pick up students will be rerouted to the front loop to be picked up by car. We will send out a mass email and voice message to let parents know of that change, which often time happens within the last 30 minutes of the school day. If you haven't received an email from us, yet, we have sent out a couple, so we may not have your correct email address. Please see Michele Caldwell, our secretary, to give her your email contact information, in order to apprise you of pertinent information across the school year.

You may have noticed some changes to our front office. This is just the beginning of alterations being made inside and outside of the building to improve security. These additional modifications are being done to campuses across Brevard to increase safety. Most of the work will be done outside school hours and may take a few months.

Have a great weekend!

Warm Regards,

Mrs. Zimmerman
