

## 2018-2019 Front Car Loop, Drop Off and Pick-Up Procedures

**All students must be picked up at their designated color coded section.** A car tag with a Red, White or Blue color will be distributed to your student(s). The walls along the car loop have been painted the same colors. If you have more than one student attending Indialantic, please utilize the color tag of your youngest child and drop off/pick up your student(s) at that area every day.

Every car **MUST** have a color coded car tag with their students last name on it hanging off the front mirror where it is easily visible when you pick up your student in the car loop.

If you **DO NOT** have the color coded tag, you will not be able to pick your student up in the car loop. You will need to park your car in the parking lot and retrieve your child from the teacher.

If you need more than one tag for an extra vehicle, please let the teacher know and they will provide you with one.

It is extremely important that you follow the procedures to ensure a smooth, timely dismissal for all students. **NO CELL PHONE USE IN CARLOOP during Drop Off and Pick Up.**

**DO NOT drop your student off in the street and have them walk unescorted through the parking lot.**

**If you arrive prior to 7:45, please pull up to the red zone. The Red Zone gate opens at 7:30. Only students are allowed in the gate from 7:30 to 7:45. Your student will be sent to the media center or the cafeteria until 7:45. All car loop gates will open at 7:45. Only Parents with a gate pass may enter at this time (7:45) through these gates.**

**The RED Zone will include the following teachers:**
