Dear BPS Families:

In alignment with the Florida State Board of Education Ruling [6A.1.094121](#), students enrolled in grades 6 through 12 will receive five (5) hours of instruction in mental and emotional health during the 2020-2021 school year.

Additionally, instruction will be provided for students enrolled in grades Kindergarten through 12th grade in substance use and abuse (Rule 6A.1094122) and child trafficking prevention and awareness (Rule 6A.1.904123). Lessons are designed to be developmentally appropriate for each grade level.

Licensed mental health professionals, along with BPS staff certified in health education, physical education, school psychology, school counseling, and school social work, have developed lessons consisting of basic instruction aligned with Florida's Health Education Standards. We will use the following resources to provide students with their required instruction.

- Monique Burr Foundation for Children- Safety Matters
- Brevard Schools- Healthy Body Systems Curriculum

As we provide this basic instruction to students during the school day, we encourage all families to have ongoing conversations with their children about mental and emotional health and wellness.

Please reach out to Indialantic Elementary at 321-723-2811 if you have any questions.

Respectfully,

Dr. Lori Braga, Principal
Indialantic Elementary
