This page shall be returned by the parent and placed on record for each student enrolled at Stone Magnet Middle School. Computers will not be issued until the insurance fee has been paid.

I have read, discussed and understand the 4 Sections of the Stone Magnet Middle School Laptop Loan Agreement:

- 1.0 Equipment Details;
- 2.0 Damage or Loss of Equipment;
- 3.0 Legal and Ethical Use Policies;
- 4.0 Standards for Proper Computer Care

With the goal of providing each student a computer, Stone Magnet School offers parents a choice to participate in the Take Home Program. Our hope is that every learner will have access to these learning machines for both school work and homework. Our coursework and curriculum in Florida is increasingly digital, multimedia, and collaborative in a digital realm. We would like all Students to be equipped to learn together with digital textbooks, Learning Management Systems, and the creative tools that computers provide. We believe that students that are only given access to the computer while at school or students that only use the computers for testing will be at an academic disadvantage.

**Take Home Program:** With payment of \$37.00 Insurance/Activity fee fully insures the computer against loss or damage.

Based on your understanding of the Take Home Program, please sign below your agreement:

**Take Home Program**

- Students will be assigned a computer that they will be able to use in all classes and at home.
- I agree to pay Stone Magnet Middle School the \$37.00 Insurance/Activity Fee (Fundraiser money may be applied)
- Once Insurance/Activity fee is paid there will be no refunds for any reason.

Stone Magnet Middle School/BPS **cannot** provide Internet filtering off campus. Parents are responsible for monitoring and filtering computer use while at home. If any computer comes on campus that has violated the BPS Legal and Ethical Use Policies and/or filters the laptop will be confiscated and no refunds will be issued. By signing below you are taking full responsibility of monitoring your students home computer use.
