Message from the Principal...

It is that time of year again, summer-time!! 2017-2018 has been a wonderful school year! As I have walked through classroom's this year I have seen so many engaged, hardworking students. They have all really put an amazing effort into their work this year. I am so proud of you all!

Thank YOU parents for pushing and supporting your children to do there best! I ask that you continue to encourage your children over summer. Take them to the public library to read or any other educational activities. Most importantly I ask that you spend time with your families and make many beautiful memories this summer!

Thank you to all our exceptional staff members for yet another successful year. Your hard work and dedication does not go unnoticed. I appreciate you all so much!

Our summer office hours are Monday– Thursday 6:30am-3:00pm.

Wishing you all a blessed summer with your family and friends!

*Sincerely,
Stephanie Hall*

Message from Dr. Boyle

Hello Brainiacs! I hope you are planning to read over the summer. You have all been given a copy of United Way “I Read, You Read!” Ice cream challenge paper. Remember that if you are in Kindergarten through 2nd grade, you will get ice cream if you read 10 books this summer and return the sheet to me on the first day of school next year. If you are in 3rd through 5th grades, you will get ice cream if you read 8 chapter books and return the sheet to me on the first day of school next year. There is also going to be a reward for the school who returns the most of these forms next school year. I WANT to win my Brainiacs!!! So let's see if we can get 100% of these forms returned.

Remember that I will be here on campus almost every Thursday this summer from 8:00 AM to 1:00 PM, in the Portable Computer Lab, so that you can come on by tell me about the books you are reading, use MyON and iStation and take AR tests all summer long. I hope you all have a wonderful summer. Keep on reading and keep on being a BRAINIAC!!!!
