2017/2018
THE COLLEGIATE HIGH SCHOOL
An accelerated education program in partnership between the Brevard County School Board and Eastern Florida State College

If your goal is to graduate from high school with both a diploma and a university-transfer Associate in Arts (A.A.) degree, the Collegiate High School may be the program for you!

Starting in the 10th grade, participants spend part of the school day at an EFSC campus taking courses that satisfy both high school graduation and A.A. degree requirements. College credits earned at EFSC transfer to any of Florida's public universities provided that the receiving university offers the same course with the same course number. The other part of the day is spent at the high school completing required high school courses.

Participants also enjoy a substantial financial benefit! The Associate in Arts Degree is comparable to the freshman and sophomore years of a university program. By receiving an Associate in Arts (A.A.) Degree at your high school graduation, you will have completed two years of college with NO tuition, textbook or residency costs. Your only potential costs may be the purchase of one-time use instructional materials required in some courses, the internet access fee and the yearly parking permit.

Graduation Requirements for the Associates in Arts (A.A.) Degree

GENERAL EDUCATION COURSES
Collegiate High School allows students to customize their A.A. degree program to prepare for transfer into a specific Baccalaureate degree major at a university or college. The university-transfer A.A. degree requires completion of 60 credit hours. Within the 60 credit hours, students must complete 36 credit hours of general education (Gen. Ed.) courses within the five subject areas of communications, mathematics, natural sciences, humanities and behavioral/social sciences.

ELECTIVES
The remaining 24 credit hours of the A.A. Degree are electives. It is essential that students work closely with an academic advisor to choose electives required for their intended major at their selected university or college.

DEMONSTRATED ACADEMIC PROFICIENCY
In addition to completing the general education and elective requirements for an A.A. degree, students must:
1. Achieve a cumulative GPA of 2.0 or higher in all college work attempted.
2. Meet Foreign Language competencies.
3. Achieve a “C” or higher in each course taken to fulfill communications, mathematics, humanities and social/behavioral science general education requirements.

SAMPLE THREE YEAR PROGRAM OF STUDY (A.A. DEGREE)
Participants pursue a program of study designed to meet the prerequisites for their selected university or college major. The three-year plan below is provided as a SAMPLE curriculum only. Students may select other courses to fulfill the degree requirements or sequence their coursework to better meet individual educational needs and goals.

Each campus offers a selection of appropriate courses for entering 10th graders during the designated collegiate high school periods at EFSC. Students in 11th and 12th grades are responsible for their transportation to the college to complete remaining A.A. degree program requirements.

COLLEGIATE HIGH SCHOOL ELIGIBILITY CRITERIA

To be considered for admission to Collegiate High School, students must have:

1. Selected the 26 credit high school diploma option.
2. Completed the first semester of the ninth grade.
3. Earned a state cumulative unweighted high school GPA of 3.0 or higher.
4. Met minimum test score requirements in Reading and Writing on the PERT.
5. Maintained a school record of appropriate conduct and regular attendance.
6. Met all program deadlines. **Turn in interest form by 2/8/17**
7. Completed or will complete Algebra I or Algebra 1B by the end of 9th grade.

To maintain eligibility for Collegiate High School, students must:

1. Maintain state cumulative high school GPA of 3.0 or higher.
2. Earn a college “term” GPA of at least 2.0.
3. Earn a “C” or higher in Gordon Rule classes (designated courses requiring writing skills and math competencies).
4. Demonstrate responsible behavior and appropriate conduct.
5. Be qualified to enroll in College Algebra (MAC 1105) by the end of the 11th grade.
6. Be on track to graduate with the 26 credit high school diploma and A.A. Degree.

FACTORS STUDENTS SHOULD CONSIDER ABOUT COLLEGIATE HIGH SCHOOL

1. College success requires that students are independent learners and
   a. Have strong reading, research and note taking skills.
   b. Are willing to devote the study time needed to meet EFSC course requirements.
   c. Are able to balance college, high school and extracurricular demands.
2. Students should aim for a grade of A and no lower than a B in each college course.
   Poor grades can impact scholarships and university admissions.
3. EFSC grades become a permanent part of the college and high school transcripts.

FACTORS PARENTS SHOULD CONSIDER ABOUT COLLEGIATE HIGH SCHOOL

1. The school counselor is the parent’s point of contact for questions about the student’s EFSC academic progress. Parents may not directly contact the student’s instructor.
2. Student is responsible for providing transportation during the junior and senior years.

COLLEGE READY TESTING

Students accepted into the Collegiate High School program must present college ready scores in reading and writing on the PERT, SAT* or ACT*. Students must present a college ready math score by the end of 11th grade to be able to complete the general education requirement for the A.A. degree by high school graduation.
