

Rockledge High School

Dual Enrollment Participation Agreement

ALL students participating in Dual Enrollment, including Collegiate High School and Early Admission, are expected to abide by the following procedures and rules:

1. Meet with an RHS counselor and then with an EFSC advisor to complete course registration.
2. After registering, return an **official copy of their schedule** to the RHS Dual Enrollment counselor.
3. Submit an **official copy of their EFSC schedule**, along with the **Dual Enrollment Textbook Agreement**, to the Textbook Coordinator to obtain required textbooks.
4. Students may **NOT** make any changes to their course schedule without approval from the RHS Dual Enrollment counselor and/or Guidance Counselor.
 - a. The add/drop period at EFSC is the first week of class each semester. Students should utilize this time to review their syllabi and determine whether classes are feasible/appropriate.
 - b. **Students may NOT withdraw from an EFSC class after the add/drop period simply due to a struggling grade.** Support services, including tutoring, are available at EFSC and should be sought early to prevent failure. Students must demonstrate they have taken advantage of all available resources, including ongoing communication with their instructor.
5. **It is the student's responsibility to inform the RHS DE counselor when a class is cancelled.** RHS students **MUST** be enrolled in a total of 7 classes each semester (excludes FT DE students). *Failure to notify your counselor of class cancelations or instructor withdrawals, **within 5 days**, will result in ineligibility for the Dual Enrollment program.*
6. *****Students MUST NOT be on RHS campus when they are not attending classes.** Students are expected to provide transportation both to and from EFSC and RHS. Students riding the Collegiate High School bus must report to an assigned teacher during 3rd & 4th period on Fridays.
7. It is the student's responsibility to be ON TIME for classes at the high school. **NO EXCEPTIONS!**
8. RHS does NOT provide supervision to students while at EFSC. Students are expected to attend classes and behave appropriately. Disciplinary issues may result in removal from Dual Enrollment.
9. Students are responsible for maintaining appropriate GPA and completing all coursework.
10. Students should check their Titan email regularly for important updates and information from their instructors and EFSC.

I fully understand that failure to follow these procedures could jeopardize participation in the dual enrollment program and my high school graduation.
