**Suntree Elementary School PTO** has teamed up with **1<sup>st</sup> Day School Supplies** to make back to school shopping just a click away! You still have the option to purchase school supplies yourself, elbow your way through the crowd for the bulk pack of pre sharpened pencils and glue sticks, hope your child doesn't want every folder to be the unicorn folder with the T-Rex pencil case, and haul them to school ... OR... you can follow the simple steps listed below and have your child's school supplies delivered to their classroom for the meet-the-teacher day.

### **Kits will be available by PRE-PURCHASE ONLY MAY 3- JUNE 30.**

Quick and easy back to school shopping:

1. <https://1stdayschoolsupplies.com/kits.php?sid=26119> (Will be sent from the school by email and text for easy clicking.)
2. Select your child's grade list for the 2019/2020 school year. Provide child's name and select color group.
3. Decide if you want to add headphones (separate kit). Click to add (provide child's name, grade, and select color group) or provide them yourself. EVERY STUDENT NEEDS HEADPHONES.
4. Select the grade's Bulk Items (or provide them yourself) If you wish to purchase them, add the correct grade's Bulk Item list to your cart.
5. Is your child in Horizons? If so, add the appropriate list.
6. Does your child need a new lunchbox, backpack, or water bottle? You can click to add those items as well.
7. Check out and pay by credit card. You are done and your child's supplies will be in their classroom for the start of school. Great job! Parenting win for the day!
8. Plan how you want to relax on those extra days you would have been fighting the store mobs before school starts.

As always, your teacher may have wish-list items or extra supplies they request during Meet the Teacher day. Those items will not be included in the kits. Also, additional classroom materials may be requested throughout the year as supplies dwindle.
