

Dear Suntree Families,

Here we are nearing the end of another school year - it seems like only yesterday I was writing a "Welcome to Suntree" letter. It's amazing how quickly time passes. As I reflect on this past year, I am in awe of what we have accomplished. Our theme for this year was "LEAD!" Over the past months, our students have learned life long leadership skills that will help them be successful academically, socially and in all facets of life.

Please take a few moments to review the May testing dates listed at the bottom of the page. It is imperative on testing days that you child receives plenty of rest and eats a nutritious breakfast. Remember, it's always important to encourage your child to do his/her best work; and when something is difficult, success is achieved by working hard.

Please note, Friday, May 26th , is the last day of school for students. For our 6th graders who will not be returning in the fall, I wish you much success in your future endeavors. For the rest of our students, I hope you have a fun and relaxing summer - please take time to read and enjoy a good book! We look forward to seeing you in August.

Sincerely,

Dr. Shari Tressler

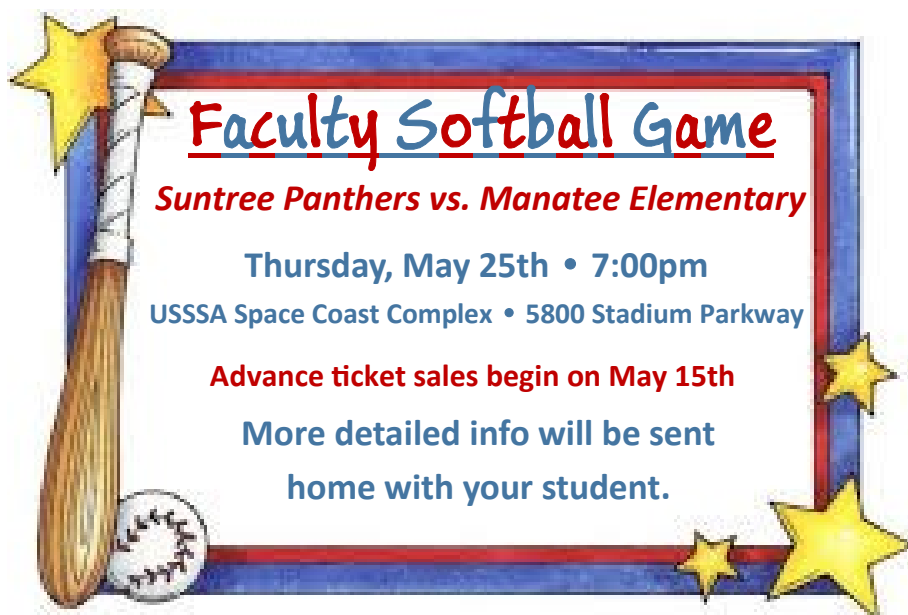

Principal
