APRIL 2022 ISSUE

A Message from our Administrators.....

Dear Parents and Students,

With the arrival of spring comes the onset of testing, preparations for graduation and awards ceremonies, accompanied by scheduling of courses for the next school year. It is an eventful, yet exciting time! We hope that the Spring Break brought much needed rest and relaxation for our students, teachers, staff, and parents. Let's stay the course and buckle down to close this school year strong!

This year testing began in early April with the Writing portion of the FSA ELA. The remainder of testing will begin May 2nd and continue until the end of the school year. Please be sure to monitor voice, email, and text messages, the school web site, and cohort Google classes, along with other announcements regarding testing schedules. Remember to get plenty of sleep the night before a test, and to eat breakfast the morning of a test. Best of luck to all students!

The Graduation Committee is in the process of planning graduation and all pieces are falling into place. We are returning to our traditional ceremony at the King Center. Graduation is a special event in the lives of our students and their families. We appreciate all the support and planning required for this memorable event. Thank you to all committee members for your valuable time and resources.

This year the Middle School Awards Ceremony took place on April 19, 2022. We are so proud of our Middle School students. The awards ceremony for High School students in grades 9-11 is on Tuesday, April 26, 2022, at 6:00 p.m. in our cafeteria. The Senior Awards Ceremony will begin at 6:00 p.m. and will be in the auditorium at Merritt Island High School on Tuesday, May 17, 2022. It's a little later than usual to try to capture everyone's college plans as well as scholarship opportunities.

Senior Boards are also returning to their traditional format. Our amazing seniors will be presenting to the judges on Friday, April 22, 2022, in the gymnasium. This is exciting as our seniors get to display the projects they have all worked so hard on. Also, a special "Thank you" to our three amazing teachers, Mr. Ryan Cilsick, Ms. Susan Rhoden, and Ms. Tina Noah.

Currently, Dr. Diakakis and guidance are in the process of scheduling courses for the 2022-2023 school year. As parents of our students, your assistance and support with this process is invaluable.

Finally, again, it has been a marvelous year at Edgewood! Please do not hesitate to contact administration with any questions or concerns as we work through the last month of the school year.

Warmest regards,

Nick Stewart
Assistant Principal

SERVICE LEARNING

All students need to complete their [Service Learning Reflection Papers](#). All grades will have the opportunity to do this on 4/8 during homeroom. All student's 7th-11th should submit their final logs of hours to their homeroom teachers on or before 4/22 (seniors should be done already). Anyone with incomplete hours at that point will have a meeting with administration to discuss their future plans. Please remember that Service Learning is a requirement of Edgewood and failure to complete hours and the reflection paper can impact your ability to renew your enrollment here. Additionally, the reflection is an FLDOE Bright Futures requirement and must be done thoroughly.

Senior Project Open House / Rising Senior Night

Thank you to all of you who attended. Please feel free to contact Administration, Guidance, Mr. Vickers, or Ms. Kyzer with any questions.

JOSTEN'S RING PRESENTATION

Josten's will hold a ring presentation on
Friday, April 29, 2022 during Homeroom

NEWS FROM THE CLINIC

Vitamin D! It has so many health benefits yet is often overlooked. Many people do not know they are lacking this wonderful vitamin. It boosts the immune system, helps build strong bones, has anti-inflammatory and antioxidant properties, supports muscle and brain function, and has neuroprotective properties. Whew, that is a lot of benefits in one little vitamin. One of the biggest risks of not having enough vitamin D is weak bones contributing to Rickets and/or Osteoporosis as we age. There are few foods that have enough vitamin D in them to give our bodies what it needs. Fortified milk and fortified cereal help as well as fatty fish like salmon. Being in the sun does convert chemicals in our skin into vitamin D, but with too much sun comes the risk of skin cancer. If you don't know your vitamin D levels it would be a great topic to discuss with your physician. He or she can guide you on proper nutrition for your health status and whether supplementation would be beneficial. If you choose to see your physician, it would be helpful to have a list of your medications. Certain drugs do interact with vitamin D supplements and in an effort to be healthier we don't want to create a different problem.

SPORTS NEWS

Girls' tennis brought home their second-straight district championship this season with a dominating performance across all their lines at the district tournament. Nishka Dalal, Ria Prasad, and the doubles partnership of Dalal and Kayleigh Rushin all won their lines, while Mallory Manning, Emerson McCleery, and Sharanya Natarajan all picked up valuable points on other lines. The girls move on to a tough regional playoff in an effort to earn their way into States!

Club News:

Congratulations to all the students that participated in this year's FPS Affiliate Competition!

Edgewood students performed very well across multiple components and represented the school and themselves in an exceptional manner. 67TH SCIENCE AND ENGINEERING FAIR OF FLORIDA

10 Edgewood students, 7 High School and 3 Middle School students competed at the State Science and Engineering Fair of Florida on March 29th through April 1st. All 10 students were our first place winners at our regional fair. Our students were part of the Brevard delegation which consisted of approx 80 students and the total number of projects at the fair was approximately 740.

Our students did amazingly well. Below is a short summary of how they did:

- BERRY, OLIVIA
 - \$14,000 UCF Scholarship
- GARCIA, ANA
 - \$1000 Scholarship
 - 3rd Place in category
- GAYDAR, ERIN
 - 1st Place in category
 - Grand Award Winner
 - \$1000 Prize
- KAUFMAN, ALEX
 - 4th Place in category
- LAVRA, JACOB
 - 3rd Place in category
- KASSAHUN, BISLAT
 - 5th place in category
- KUMAR, THANMAY
 - 6th Place in category
- NATARAJAN, SHARANA
 - 1st Place in category
 - Grand Award Winner
 - \$650
- KIRBY, GRIFFIN
 - 3rd Place in category

Both Erin Gaydar and Sharana Natarajan were Grand Award winners meaning that they were in the top 8 of all projects competing at the fair. Erin Gaydar as a High School student will now also be competing at ISEF (International Science and Engineering Fair) in Atlanta in May. Bisrat Kassahun will also be competing at ISEF by winning his bid at our regional fair. Please wish them luck.

SOURCES OF STRENGTH SPIRIT WEEK: MONDAY 4/25 – FRIDAY 4/29

MONDAY:

Monday Merch Day- wear the merchandise from your favorite band, movie, video game, influencer, or team, or dress like them.

Activity: Find peers who like the same thing as you and connect. Come to the cafe with your “match” for a prize.

TUESDAY:

Comfy Day - Don't sweat the small stuff! Dress down in comfy sweats/etc.

Activity: Share what you do to wind down after a tough day (poster-cafe).

WEDNESDAY:

Role Model Day - Dress as your favorite teacher/mentor

Activity: Send a positive note to your favorite mentor/teacher. Paper available for notes in front of the cafe. Encourage students to fill them out and deliver to their favorite teacher or have us deliver.

THURSDAY:

Anything but a backpack day - Choose a random item to carry your belongings to school. (Withing accepted limits-nothing larger than 2 feet)

Activity: Help someone in need and encourage random acts of kindness.

FRIDAY:

Color Wheel Day - Wear the color from the wheel which best fits your “strength”.

Activity: Sign your poster in your homeroom class (and share why this is your strength if you choose)

Monday, Tuesday and Wednesday SOS students will be in front of the cafe for activities.

We will have stickers, tattoos and candy as prizes for participation.

Edgewood Odyssey of the Mind Teams Advance to World Finals

The Edgewood Odyssey of the Mind teams have earned an invitation to attend World Finals! Over 200 teams from across Florida competed at the State tournament held in Orlando in March and both Edgewood teams have advanced to Worlds. Our teams will travel to Ames, Iowa for the World Finals tournament that will be held at the University of Iowa at the end of May. This year our students used their problem-solving skills to create a performance that included team-created small vehicles propelled by mousetraps, rubber bands, and springs to solve required tasks and help their group of characters escape an unusual room. Odyssey of the Mind teaches students how to develop and use their natural creativity to become problem solvers. Odyssey emphasizes teamwork, time management, public speaking, budgeting, and much more.

Congratulations to our High School Division 3 team – Tyler DeVries, Andon Picheco, Quentin Picheco, Colton Turner and Cailyn Turner.

Congratulations to our Junior High Division 2 team – Daniel DeVries, Thomas Thering, and Ainara Bengoa.

Good luck at World Finals!

BREVARD VIRTUAL SCHOOL

Brevard Public Schools offers eligible students the opportunity to enroll in a full-time virtual instruction program for the 2022 - 2023 school year. Full-time virtual instruction students attend school from home with the daily support, facilitation of learning and supervision from a parent/guardian.

Open-Enrollment Application Window: April 1 thru June 30, 2022

Late Application Window: July 1 thru 15, 2022

*Part-Time Enrollment Options are also available in grades 6-12
(not subject to this application window).*

ACADEMIC STATE CHAMPIONSHIP

From Thursday 3/31 through Saturday 4/2, four Edgewood students competed as members of the Brevard County all-star academic team at the state championship. Phoenix Boggs, Nikhil Iyer, and Jon Wang played as 3 of the 6 competitors on the team, and Abbie Shepard filled a managerial role. On Thursday, they finished 1st in their room by a landslide margin, earning themselves a direct path to the semifinals without having to play any matches on Friday. On Saturday morning, they competed in the semifinals, finishing second in their room to Polk County, who had incredibly high numbers on math and science questions. Since the top 3 teams in each semifinal advance, this earned them a place in the finals. In the finals, they played the best match of their careers, avenging their 2nd place finish to Polk as well as toppling the top literature and history team at the competition: Manatee County. The scores in the final were as follows:

Brevard: 262

Manatee: 233

Polk: 215

Orange: 163

Pinellas 162

Seminole: 157

Overall, Nikhil had a great showing, answering the 4th most questions on Team Brevard. Phoenix finished 2nd in overall points. Jon had the greatest performance, not only on Team Brevard, but out of everyone else in Division 1 play, earning him a spot-on Team Florida as one of the top scholars in the state. The team members have won championship rings and a \$500 scholarship as a result of their accomplishment, and Jon earned an additional \$1000 as a member of Team Florida.

L3 HARRIS CHALLENGE

On Wednesday, April 13th, Edgewood participated in the L3 Harris Challenge at the school board in Viera. 12 Edgewood middle schoolers competed against 16 other middle school teams from the county in multiple science and engineering-based challenges. The code-words from the challenge are: CODE, BUILD, COMMUNICATE and COLLABORATE. Edgewood's 7th grade team (Kenji Blakely, Savanah Nazario, Sidharth Patsamatla, Lilyen Reynolds, Jacob Terrell and Maddalyn Tonhauser) won 3rd place for 7th grade overall, with a 1st place win in the breakout box challenge and 2nd place in coding. Edgewood's 8th grade team (Nirvaan Dalal, Mary Penny, Robert Ward, Sharanya Natarajan, Alyse Reyier and Ravi Vellody) won 1st place for 8th grade overall! They won 3rd place in coding, 2nd place in the engineering challenge, 3rd place in the communication challenge and 1st place in the breakout boxes!

These challenges go beyond math and science knowledge- these students had to work as a team and let go of some control to work together, build, and communicate!

We are super proud! Thank you for supporting our students in STEM!
