SAMPLE THREE YEAR PROGRAM OF STUDY (A.A. DEGREE)

Participants pursue a program of study designed to meet the requirements for the two year university transfer Associate in Arts (A.A.) degree and the prerequisites for their declared university major. The below three-year plan is a SAMPLE curriculum only. Students may select other courses to fulfill the degree requirements, or sequence their coursework to better meet individual goals.

Each campus offers a selection of appropriate courses for entering 10th graders during the designated collegiate high school periods at EFSC. Students in 11th and 12th grades are responsible for their transportation to the college to complete remaining A.A. degree program requirements.

COLLEGE READY TESTING

COLLEGIATE HIGH SCHOOL ELIGIBILITY CRITERIA

To be considered for admission to Collegiate High School, students must have

1. Selected the 30 credit high school diploma option.
2. Completed the first semester of the ninth grade.
3. Earned a state cumulative unweighted high school GPA of 3.0 or higher.
4. Met minimum test score requirements in Reading and Writing on the PERT.
5. Maintained a school record of appropriate conduct and regular attendance.
6. Met all program deadlines.
7. Completed or will complete Algebra I or Algebra 1B by the end of 9th grade.

To maintain eligibility for Collegiate High School, students must

1. Maintain state cumulative high school GPA of 3.0 or higher.
2. Earn a college “term” GPA of at least 2.0.
3. Earn a “C” or higher in Gordon Rule classes (designated courses requiring writing skills and math competencies).
4. Demonstrate responsible behavior and appropriate conduct.
5. Be qualified to enroll in College Algebra (MAC 1105) by fall term of 12th grade.
6. Be on track to graduate with the 30 credit high school diploma and A.A. degree.

FACTORS STUDENTS SHOULD CONSIDER ABOUT COLLEGIATE HIGH SCHOOL

1. College success requires that students are independent learners and:
 - a. Have strong reading, research and note taking skills.
 - b. Are willing to devote the study time needed to meet EFSC course requirements.
 - c. Are able to balance college, high school and extra-curricular demands.
2. Students should aim for a grade of A or no lower than B in each college course. Poor grades can impact scholarships and university admissions.
3. EFSC grades become a permanent part of the college and high school transcripts.

FACTORS PARENTS SHOULD CONSIDER ABOUT COLLEGIATE HIGH SCHOOL

1. The school counselor is the parent’s point of contact for questions about the student’s EFSC academic progress. Parents may not directly contact the student’s instructor.
2. Student is responsible for providing transportation during the junior and senior years.

Students accepted into the Collegiate High School program must present college ready scores in reading and writing on the PERT, SAT* or ACT*. Students must present a college ready math score by the end of 11th grade to be able to complete the general education requirement in mathematics for the A.A. degree by high school graduation.
